Let's Play Ball 2025

Little League International Parent Code of Conduct

As a Little League parent/family member, I WILL:

Remember that children participate to have fun and that the game is for youth, not adults.

Inform the coach of any physical disability or ailment that may affect the safety of my child or the safety of others.

Learn the rules of the game and the policies of the league.

Will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials and spectators at every game, practice or other sporting event.

Teach my child to play by the rules and to resolve conflicts without resorting to hostility or violence.

Demand that my child treat other players, coaches, officials and spectators with respect regardless of race, creed, color, sex or ability.

Teach my child that doing one's best is more important than winning, so that my child will never feel defeated by the outcome of a game or his/her performance.

Praise my child for competing fairly and trying hard, and make my child feel like a winner every time.

Emphasize skill development and practices and how they benefit my child over winning. I will also de-emphasize games and competition in the lower age groups.

Promote the emotional and physical well-being of the athletes ahead of any personal desire I may have for my child to win.

Respect the officials and their authority during games and will never question, discuss or confront coaches at the game field, and will take time to speak with coaches at an agreed upon time and place.

Demand a sports environment for my child that is free from drugs, tobacco and alcohol, and refrain from their use at all sports events.

Refrain from coaching my child or other players during games and practices, unless I am one of the official coaches of the team.

As a Little League parent/family member, I WILL NOT:

Force my child to participate in sports.

Engage in any kind of unsportsmanlike conduct with any official, coach, player or parent such as: booing and taunting; refusing to shake hands; or using profane language or gestures.

Encourage any behaviors or practices that would endanger the health and well being of the athletes.

Ridicule or yell at my child or other participants for making a mistake or losing a competition.
