Thomas Hospital is designated as a Blue Distinction Center+ for Cardiac Care and Blue Distinction Center+ for Knee and Hip Replacement by Blue Cross and Blue Shield of Alabama, an independent licensee of Blue Cross Blue Shield Association. Blue Distinction Centers (BDC) met overall quality measures, developed with input from the medical community. A Local Blue Plan may require additional criteria for providers located in its own service area. For details, contact your Local Blue Plan. Blue Distinction Centers+ (BDC+) take met cost measures that address consumers' need for affordable healthcare. Each provider's cost of care is evaluated using data from its Local Blue Plan. Providers in CA, IL, IN, PA, and WI may be in two Local Blue Plans' areas, resulting in two evaluations for cost of care; and their own Local Blue Plan decides whether one or both cost of care evaluations must meet BDC+ national criteria. National criteria for BDC and BDC+ are displayed on www.bcbi.com. Individual outcomes may vary. For details on a provider's in-network status or your own policy's coverage, contact your Local Blue Plan and ask your provider before making an appointment. Neither Blue Cross and Blue Shield Association nor any Blue Plans are responsible for non-covered charges or other losses or damages resulting from Blue Distinction or other provider fee-for-service information or care received from Blue Distinction or other providers.

ABOUT THE COVER

Every year the Alabama Tourism Department announces the additions made to its 100 Dishes to Eat list. The collection is a what's what of the best meals Alabama restaurants have to offer. Look for these plates throughout the book to find all 36 of the Baldwin County dishes that made the list. Turn to page 72 to read more.

The image shows the interior of a restaurant named Voyagers. The room features large floor-to-ceiling windows that offer a view of a coastal landscape at dusk. Several round tables are set with white tablecloths, glassware, and silverware. The chairs are upholstered in a light-colored fabric. The lighting is warm, with pendant lights hanging from the ceiling and a wall sconce. The overall atmosphere is elegant and sophisticated.

OUR HERITAGE

Baldwin County's rich delta region has been inhabited for thousands of years. The Native American mounds at Bottle Creek in the Mobile-Tensaw Delta were begun around 1200, almost 300 years before Columbus arrived in the Americas.

The site, which is now on the National Register of Historic Places, can still be viewed today. The Bottle Creek site, on an island in the delta, was a major cultural center for about 300 years until the arrival of Europeans.

The first Europeans known to have arrived in what is now Alabama came into Mobile Bay in 1519. Alonzo Alvarez de Pineda named the bay, Bahia de Espiritu Sanctu, Bay of the Holy Spirit.

The French, who would colonize the Mobile Bay region, arrived in 1699, landing at what is now Fort Morgan. The first settlements were founded along Mobile Bay. In 1763, the English took possession of the region and continued expanding new settlements and homes in the delta and along the bay and rivers.

Since then Baldwin County has been the site of many battles that helped shape regional and national history. During the American Revolution, British and Spanish forces fought on the Eastern Shore. The battle led to the site being named Spanish Fort.

In 1813, Creek forces under William Weatherford, also known as Red Eagle, overwhelmed the settlers at Fort Mims in northern Baldwin County. After the battle,

Andrew Jackson and his volunteers marched through the region on their way to attack British Pensacola.

Also, during the War of 1812, the British twice attacked Fort Bowyer, at the present site of Fort Morgan. The first attack was driven off with the British losing the HMS Hermes. The British took the fort on their second attack in February 1815 in the last battle of the War of 1812. Soon after the battle, word arrived that the war had been over since December and the British left.

During the Civil War, Fort Morgan was the focus of the Battle of Mobile Bay in 1864. During the battle, the Union ironclad Tecumseh was sunk by an underwater mine off Fort Morgan. The ship and most of its crew remain entombed at the site at the entrance to Mobile Bay.

In April 1865, Union forces closing on Mobile Bay battled with defenders at Spanish Fort and Blakeley. On April 9, Union forces attacked the fortifications at Blakeley. Losses in the attack were estimated at 4,475 soldiers killed or wounded. The attack, which took place after Robert E. Lee surrendered in Virginia, has been called the last major battle of the Civil War.

Baldwin County continued to grow with settlers continuing to contribute to its diverse heritage. Residents from France, Greece, Yugoslavia, Germany, Russia, Sweden, Czechoslovakia, many African nations and other sources have contributed to the area's rich cultural heritage.

This melting pot of people built the county's agricultural, commercial, manufacturing, tourism and fishing industries and made the county prosper and persevere even during severe economic depressions. Today, Baldwin County is the fastest growing county in Alabama. In the 2020 Census, Baldwin County passed Montgomery to become the fourth largest county in Alabama with 229,000 residents, an increase of 47,000 in 10 years. Baldwin County is a place welcome to all — a land of abundant natural resources, a healthy economy and beautiful beaches, as well as a people who have carved out a place to live, prosper and continually grow.

Its 2,027 square miles are filled with historical sites, shopping, top-notch restaurants, golf courses, nature trails and parks. Central Baldwin has no shortage of wide-open spaces and scenic farmland, and the white sand beaches of South Baldwin draw visitors from all over the country.

The people of Baldwin County are as diverse and beautiful as its landscape. The area is a haven for artists, musicians, writers and photographers as well as farmers, fishermen and chefs. This diversity of land and people has created a place where everyone can find their niche. There's an event, class, outdoor activity or new hobby just waiting to be discovered.

Communities all over the county are ready to be explored and enjoyed — get out there and have some fun.

If your idea of a good time is pitching a tent and stargazing as you sit around a fire, North Baldwin is the place for you. The region also has plenty of excellent hotel accommodations and shopping destinations that will please you without putting a dent in your pocketbook.

BAY MINETTE

Bay Minette is the county seat of Baldwin County and embodies the kind of small town charm the South is known for, complete with scenic oak-lined streets and gorgeous homes that speak to a bygone era. Visit the picturesque public library, stop by the vibrant North Baldwin Chamber of Commerce or enjoy some good home cooking at one of the many excellent local restaurants.

TENSAW-STOCKTON

Where Alabama Highway 225 and 59 meet, sits the community of Stockton. One of the northernmost points in the county is home to several historic homes and sites. Bicentennial Park is dedicated to preserving the rich heritage and history of this unique spot. It includes a walking trail, historical exhibits and a working farm. History abounds even farther north in the Tensaw area, as well as historic Fort Mims, where you might see a battle reenactment or simply enjoy learning the storied

past of this county. While visiting, don't miss a Southern feast at the Stagecoach Café, located across the street from the newest county museum, The Stockton Heritage Museum.

ARE YOU STORM READY?

Make a safety plan before severe weather strikes.

Alabama can experience severe weather any time of year. That's why Alabama Power is prepared to work quickly and safely to restore service whatever the weather. Meanwhile, there are things you can do to be ready for storms, and their aftermath.

BEFORE THE STORM

1. Charge cellphones and other electronic devices, and make sure to have a battery-operated weather radio to stay informed at all times.
2. Create a family plan for emergencies and discuss how to stay safe in all weather conditions.
3. Set the thermostat to a comfortable level in your house. Keep doors and windows closed after the storm and your house will stay relatively comfortable for about 48 hours.
4. In the event of a tornado, plan to seek shelter inside a sturdy building, on the lowest level. Choose a small room with no windows, such as an interior closet, hallway or bathroom.

AFTER THE STORM

1. Report an outage or a hazardous situation, such as a downed power line, at AlabamaPower.com.
 2. Make sure roads are safe before driving. Even after precipitation has stopped, the roads can still be dangerous.
 3. Turn off appliances to avoid any potential safety hazards when power is restored.
 4. Never drive over or under downed power lines, and keep children and pets away from them. Stay away from fallen trees or debris where downed lines can be hiding.
- Never attempt to remove tree limbs caught in downed power lines. Call Alabama Power at 1-800-888-APCO (2726) or local law enforcement.

GENERATOR SAFETY

1. While portable generators can help keep appliances running during outages, they can also be deadly when used improperly. Always read and follow the manufacturer's instructions.
2. Connect only essential appliances such as a refrigerator directly to the generator. Plugging portable generators into your household electrical wiring can cause serious injury.
3. To avoid carbon monoxide poisoning, always operate portable generators outdoors in a well-ventilated, dry area away from windows and air intakes to the home. A good location is a roofed structure open on four sides.

eastern SHORE

Whether you enjoy the outdoors, shopping, sports, dining, the arts or family friendly events, there is something for everyone in Baldwin County's Eastern Shore cities — Spanish Fort, Fairhope and Daphne.

DAPHNE

Daphne is home to some of the Eastern Shore's best spots to watch for wildlife. At Bayfront Park at Village Point, visitors can watch for alligators, snakes and other animals in their natural habitat.

Jackson Oak, a historic oak tree that dates back to before the War of 1812, is also located on one of the nature trails at Village Point. Also in Daphne is Gator Alley, a city-maintained boardwalk that passes under U.S. 98, where guests can spot alligators at any time between sunrise and sunset. Daphne's historic Main Street has local restaurants and stores, a youth baseball park and

Centennial Park, a great park for kids.

FAIRHOPE

A short drive under moss-covered oaks will lead you to a flower-filled clock face — the city of Fairhope awaits. Downtown Fairhope retains its small-town sense with locally owned clothing stores, coffee shops, bookstores and art galleries. End your day with a stroll down Fairhope Avenue and view a breathtaking sunset on Fairhope Pier. A common gathering place for all ages throughout the year, near the pier there is a rose garden, marina, beach and playground area. This area is host to many class field trips to discover the creatures that call the bay home. Continue south along scenic 98 through Point Clear and relish the beauty of the Eastern Shore and Mobile Bay.

SPANISH FORT

The Eastern Shore Centre, an outdoor mall in Spanish Fort, contains favorites like Barnes & Noble, Belk, Build-A-Bear Workshop, Best Buy and World Market. There's also a state-of-the-art bowling alley and arcade, a 14-screen movie theater, a Publix supermarket and many restaurants to satisfy any craving.

The 5 Rivers Delta Resource Center is one of Spanish Fort's best places to catch a close-up glimpse of local wildlife with walking tours and river boat cruises.

central BALDWIN

At the center of Baldwin County, sit the municipalities of Central Baldwin — Loxley, Robertsedale, Silverhill and Summerdale.

The central area of the county offers fun events throughout the year such as the Silverhill Memorial Car Show and the Robertsedale Rotary Rodeo.

LOXLEY

The town of Loxley begins where Interstate 10 meets Highway 59. Many activities in town center around the Loxley Municipal Park and Loxley Civic Center, which is home each year to the Baldwin County Strawberry Festival and the City Rhythm Big Band.

ROBERTSDALE

The “Hub of Baldwin County” is a short drive down Highway 59 between Loxley and Summerdale. Robertsedale is home to many parks including Honeybee Park, home to the Honeybee Festival and Garrett Park, which boasts the city’s splash pad and numerous baseball and softball fields.

The Baldwin County Fair, one of the state’s longest running county fairs, calls Robertsedale’s Baldwin County Coliseum home. In September, view art, livestock and hobby exhibitions, including canning, baked goods,

scrapbooking and more.

SILVERHILL

The only town of Central Baldwin County that does not contain a portion of Highway 59, Silverhill is the area’s smallest and oldest municipality. Silverhill celebrates the heritage of its four flags (Sweden, Czechoslovakia, Norway and Finland) every year with the annual Silverhill Heritage Day Festival.

This town is also home to Wales West RV Park, featuring the Wales West Light Railway and nightly activities like bluegrass and potluck dinners. Guests can ride the train year-round, or come for a special event during Easter, Halloween or Christmas.

SUMMERDALE

A rural town in south-central Baldwin County, Summerdale is the last stop of this area before entering the white sands and salty waters of the county. Looking for adventure?

Visit the alligator farm Alligator Alley or the Spear Hunting Museum, home of the “World’s Greatest Living Spear Hunter” Gene Morris. Although Morris died in 2011, the museum remains open to share his tales with visitors.

South BALDWIN

Whether you visit once a year or live in a condo on the beach, South Baldwin County is a destination for all. From shopping at small surf shops and The Wharf to parasailing or ziplining, or just relaxing in your chair listening to the waves crash into the shore, each day is different from the last.

ELBERTA

Home to the German Sausage Festival, Elberta was founded by German immigrants and celebrates this bi-annual fundraising event with more than 30,000 visitors and 7,000 pounds of sausage served at each occasion. Proceeds go to the volunteer fire department and town. This picturesque little town is also home to Baldwin County's own "Bamahenge" and four dinosaurs roaming the woods along Fish Trap Road leading to Barber Marina.

FOLEY

As Foley turned 100 in 2015, city leaders completed the Centennial Plaza and clock tower in Heritage Park and the Pedestrian Bridge. Newly opened OWA allows guests to experience Downtown District with shops, a concert at the amphitheater overlooking the 14-acre lake or take a ride on the Rolling Thunder coaster at the theme park. Adjacent to OWA, the city of Foley will host sports activities from gymnastics to basketball in the new 90,000-square-foot indoor Events Center, or lacrosse, disc golf and soccer on one of the 16 state-of-the-art fields.

The Tanger Outlets in Foley offer shoppers an array of stores at outlet prices. In addition to the outlets, Ross Dress for Less and PetSmart have made their appearance, with more big-box stores on the way.

Events throughout the year include the colorful Gulf Coast Hot Air Balloon Festival, BBQ & Blues Cook-Off, Art in the

Park and the Jennifer Claire Moore Foundation Professional Rodeo.

GULF SHORES

Gulf Shores is home to many specialty boutiques and surf shops. There is also a wide variety of restaurant fare to choose from with seafood as the basis, but each eatery has a unique specialty as well. The Waterway Village District along the Intracoastal Waterway is home to the Gulf Coast Arts Alliance Art Market and Gallery.

This and surrounding areas host a staggering number of tourists, while maintaining its hometown, sweet Southern spirit.

MAGNOLIA SPRINGS

Nestled along the Magnolia Springs River, the deep-rooted oak trees shelter the historic homes lined with azaleas. Incorporated in 2006, Magnolia Springs is home to the only year-round water postal route in the United States.

ORANGE BEACH

Listen to some of the world's famed musicians as they take the stage at The Amphitheater at The Wharf. Walk the streets on Main Street before the concert to take in some local grub, and be sure to stop at some of the retailers nearby. Karaoke, dancing and games can be found at sports bars, eateries and nightlife locations. Orange Beach is also home to the Coastal Arts Center with a glass-blowing hot shop, clay studio and outdoor stage.

Wanting a day of relaxation? No need for a spa; plant your chair on the beach, grab a cool drink and sink your toes into the white sand.

HISTORY

Baldwin County was created as part of the Mississippi Territory on Dec. 21, 1809, a decade before Alabama became a state. The region's history, however, stretches back centuries before that. Native tribes were building the mounds still seen at Bottle Creek in the 1200s. Spanish explorers sailed into Mobile Bay in the 1500s. The French and English settled the Eastern Shore in the 1700s. The people who have lived in Baldwin over the centuries have left a rich heritage and the tales of their doings have become our legacy. From the American Revolution to the Civil War, famous battles have been fought within its borders at Fort Mims, Fort Bowyer, Mobile Bay, Spanish Fort and Blakeley. McIntosh Bluff, Blakeley and Daphne all served as the seat of government before Bay Minette became the county seat in 1901 after the records were spirited away from Daphne in the middle of the night. A variety of festivals, reenactments and other events celebrate elements of this history and heritage. Reminders of this history might be as massive as the fortifications at Fort Morgan or as modest as a sign marking a 19th century sawmill in Stockton. It can be as unexpected as seeing a 1930s mural of the moving of the courthouse on the wall of the Bay Minette post office. On display around Baldwin County are Native American sites and artifacts, Civil War battlefields, Spanish names, German cuisine, Scandinavian flags, antebellum homes, Depression era tools, farms and other remnants of the past can be found throughout Alabama's largest county. This heritage can still be found in the people and places throughout Baldwin County that reflect its rich and unique history.

SWIFT-COLES HISTORIC HOME

The Swift-Coles Historic Home was originally built around 1882. In 1898, the Charles A. Swift family moved into the home, and as the Swift family grew in size, the home was expanded to its current 6,000 square feet, which includes 16 rooms, 10 fireplaces and 3,500 square feet of porches that look out onto the home's grounds. In the summer of 2009, the home and grounds were opened to the public for tours. In addition, the home is decorated during the Christmas holiday as it would have been in 1900s.

OUTDOORS

A photograph showing a person from behind, wearing a yellow life vest and a red long-sleeved shirt, paddling an orange kayak on a body of water. Another person is partially visible in the foreground, wearing a teal shirt and a colorful patterned headscarf. The word "OUTDOORS" is overlaid in large, white, bold letters with a black outline at the top of the image.

From white sandy beaches, to fresh and saltwater fishing opportunities, to outdoor sports including hiking, camping, tennis and golf, Baldwin County's outdoor activities are as diverse as anywhere in the country. Beach activities range from skimboarding, wakeboarding, knee-boarding, skiing, tubing, swimming, diving, snorkeling and scuba diving. On the water, you can enjoy a variety of boating activities, sailing, yachting, Jet Skis, canoes, kayaks and parasailing for those with more of a sense of adventure. You can even catch your own food with a variety of fresh and saltwater areas, hitting the high seas for trigger fish or snapper or marlin, if bigger game is what you're after. Inland, Baldwin County offers an abundance of freshwater fishing opportunities on the Mobile-Tensaw Delta near Live Oak Landing. If you'd prefer your catch on land or in the air, there are plenty of hunting opportunities in the central, northern and eastern parts of the county. Once you have your catch, kick back in one of Baldwin County's many campgrounds or RV parks, or work off your meal with a round of tennis, golf or the area's newest craze, disc-golf. Whatever your outdoor adventure, Big Beautiful Baldwin has what you're looking to do.

WATER SPORTS

Photo by Allison Marlow

If you want to zip across the water, paddle through it or fly above it, you'll find plenty of opportunities to splash around in Baldwin County.

Nearly every marina in the area offers jet skis, kayaks and paddle boards, and during the warm months, splashes of color fill the sky with parasails gliding through the salty air for spectacular views. The rental facilities can even hook you up with a license for a day.

"You either have to have a vessel license or take a safety course that we give and all the other guys give that makes them aware of Alabama's boating laws," said Rodney Jones of Skull Harbor at Hudson Marina. "Their rental contract becomes their temporary boater's license during the period of time they've got the boat rented. We detail all the Alabama laws and anything that's specific to jet skis as far as safety issues. Everybody I know that operates out of our area has a lot of experience and has gone through a lot of training."

MOBILE BAY

The Eastern Shore of Mobile Bay is one of the state's most popular fishing locations. Many locations are available for fishing, from the south end of the shore

MOBILE BAY JUBILEE

One of the most exciting fishing events in Baldwin County is the jubilee on the upper Eastern Shore of Mobile Bay from Point Clear to slightly north of Daphne. During this natural phenomenon, many species of aquatic life leave deeper waters and swarm in a specific, shallower coastal area of the bay.

The Mobile Bay jubilee typically takes place every year between the months of June and September. Some years, it occurs several times, usually in the pre-dawn hours and can cover up to a 15-mile stretch of coast on the Eastern Shore.

A specific set of conditions must be met for a jubilee to occur:

- Previous day's weather conditions must include an overcast or cloudy day, a gentle wind from the east and a calm and slick bay surface.
- Rising tide is necessary; a change to a falling tide will stop the jubilee.

in Point Clear and Fairhope to the north in Daphne and Spanish Fort. The Eastern

Shore is covered with boat ramps and fishing piers for anglers to use.

PRIMITIVE CAMPING

HUGH S. BRANYON BACKCOUNTRY TRAIL

Nestled among tall pines, scrub oaks and 15 miles of trails is the addition of the new primitive outpost campsite. Reminiscent of a Huck Finn adventure, this amenity hosts three individual sites, constructed with canvas tents supported on rustic hardwood floors and roped together with framed recycled downed trees. Take your pick from the Bonanza, Duke or Alamo. Each includes comfy nylon cots to accommodate four people per site, six-guest maximum with an additional tent. An old-fashioned pump sink is centrally located, for cleanup after a fun evening of grilling hotdogs, burgers and roasting marshmallows around the campfire. No need to cut your own wood as the Gulf State Park stocks each campsite personally for your visit. The park's camp store, swimming pool, bike rentals and bathhouse are accessible to all campers.

DISC GOLF AND SKATE PARKS

DISC GOLF

Disc golf is played much like traditional golf. Instead of a ball and clubs, however, players use a flying disc or Frisbee. The sport was formalized in the 1970s, and shares with “ball golf” the object of completing each hole in the fewest number of strokes (or in the case of disc golf, fewest number of throws).

A golf disc is thrown from a tee area to a target which is the “hole.” The hole can be one of a number of disc golf targets; the most common is called a Pole Hole, an elevated metal basket. As a player progresses down the fairway, he or she must make each consecutive shot from the spot where the previous throw has landed. The trees, shrubs and terrain changes located in and around the fairways provide challenging obstacles for the golfer.

Finally, the “putt” lands in the basket and the hole is completed. Disc golf shares the same joys and frustrations of traditional golf, whether it’s sinking a long putt or hitting a tree halfway down the fairway. There are a few differences, though. Disc golf rarely requires a greens fee, you probably won’t need to rent a cart and you never get stuck with a bad tee time. It is designed to be enjoyed by people of all ages, male and female, regardless of economic status.

Keep going up the delta and you will find Historic Blakeley Park, site of one of the last battles of the Civil War and a number of nature trails. Go East to the center of the county and find Silverhill and Robertsedale – The Hub City where a number of musical venues provide genres from country to rock and folk. Keep going north to find the County Seat of Bay Minette which takes its name from early French explorers, trappers and settlers. CULTURE

A photograph of a woman and a young boy. The woman, on the left, is wearing a large, elaborate pink hat made of many ruffles and a matching pink dress with ruffles. She has blonde hair and is smiling. The boy, on the right, is wearing a bright green t-shirt and has his hands covering his mouth, looking up with a playful expression. The background is slightly blurred, showing other people and trees, suggesting an outdoor event like a parade or festival.

The odds are no matter how far you roam, you'll find no other place like Baldwin County. History has blessed the area with a variety of influences, including French, Spanish, English, German, Native American and many more. Immigrants from across the globe have made Baldwin County their home, bringing their native cultures to the melting pot. Mardi Gras is a celebration unique to this and several other Southern areas. Beautiful and portable artworks "float" down the street as revelers throw goodies to those lined on the roadsides. Balls harken back images of grand parties and black-tie affairs and general feelings of frivolity and happiness abound. Feasting is a big part of that happy feeling and nobody cooks quite like Southerners. We create dishes from Gulf seafood and local produce ... and add bacon grease, ham hocks and garlic to everything. Well, we spice it up in our own special way.

SEAFOOD

Baldwin County's seafood industry traces its history back to Native Americans who fished its creeks, rivers, bays and coastal waters for a natural bounty that was an important and protein-rich source of food for them.

Many of the seafood industry families in Baldwin County date back generations. They preserved a way of life passed on from their ancestors and provide a delicious bounty from the Gulf to restaurants, retailers and wholesalers in the county, region and nation.

The seafood industry in Alabama provides more than 10,000 jobs, and its annual economic impact has been estimated at \$335 million a year, according to the Alabama Seafood Marketing Commission.

"The Alabama seafood industry is vital to the economy of coastal Alabama," said Chris Blankenship, director

of the Marine Resources Division of the Alabama Department of Conservation and Natural Resources, who served as the commission's program administrator and is based in Gulf Shores. "The hardworking men and women that catch, unload, process, ship and sell local Alabama seafood have been a vital part of the community for generations.

"When people buy local products, whether it is seafood, produce or other goods, it supports the local economy and keeps the money circulating in the local community.

"Besides the economic benefits, local seafood is just fresher and tastes better than imported seafood."

Dine on some of the best seafood in the nation when you pick up a plate of coconut shrimp at DeSoto's Seafood Kitchen and complete your surf and turf menu at Pirate's Cove in Josephine with a juicy hamburger as you listen to the soothing sounds of the Gulf.

Round out the evening with a slice of triple chocolate cake at Sandra's Place in Fairhope or a key lime milkshake at Stacey Drugs and Old Tyme Soda Fountain in Foley.

At every turn in Baldwin County you will find some of the best dishes in the state. And those who call Baldwin County home can call this list of amazing food just another delicious Friday night out.

MARDI GRAS

It's a common misconception that New Orleans is the home of Mardi Gras, when in fact, it's South Alabama that originally paraded through the streets. The Mobile celebration started in 1719 and partied on to Baldwin County soon after. Today, crowds line both sides of the street to participate in this Gulf Coast tradition. Patrons catch MoonPies, doubloons, cups, beads, stuffed animals and other goodies.

MARDI GRAS LINGO

FLOAT BARN: secret location where Mardi Gras organizations build and keep their floats when it's not parading season.

THROWS: items thrown from parade floats, such as doubloons, MoonPies, beads, cups and stuffed animals.

MOONPIES: marshmallow cake, usually chocolate, banana or orange flavored. Newer flavors of coconut, vanilla, mint, peanut butter and salted caramel have recently been added.

LAISSEZ LES BON TEMPS ROULER: French for "Let the good times roll!"

KING CAKE: usually oval and braided, this cake is iced with traditional Mardi Gras colors. A tiny, plastic baby doll is hidden inside, and according to custom, whoever finds the baby in their piece of cake buys the next King Cake or throws the next party.

KREWE: Mardi Gras societies often refer to themselves collectively as a Krewe and often the term is part of the society's official name.

BALL: a celebration, usually after a parade, involving food, beverages, call-outs and dancing. Some organizations don't parade and just have Mardi Gras balls. Tickets are sold to some balls, while others require invitations from a society member.

PARADE TIPS

- » Travel lightly and carry a large bag to carry your throws home.
- » Carry small amounts of cash when possible as vendors and food carts often line the parade routes.
- » Leave purses and valuables at home.
- » Arrive early. Avoid traffic and find a close, well-lit parking spot.
- » Obey barricade ordinances. No jumping the barricades.
- » Check weather/parade route. Know whether to bring a jacket or umbrella, or if your parade time or route has changed.

PET FRIENDLY PLACES

Dogs are man's best friend. Many businesses in Baldwin County like well-behaved canines, too.

Baldwin County is a pet-friendly area, and there are several fenced-in dog parks that allow our furry friends to run and play with others without a leash. Some restaurants around the county even let well-behaved dogs socialize with others.

DOG PARKS

Dog parks offer an open setting for dogs to run. Each is open sunrise to sunset and has separate areas for large and small dogs. The areas are fenced and most have water stations. There is no fee to use any of these dog parks.

PET-FRIENDLY RESTAURANTS

THE SOUTHERN GRIND at The Wharf in Orange Beach has an outdoor area, "The Pooch Porch," especially for our four-legged friends.

PANINI PETE'S in Fairhope and several other restaurants allow leashed dogs in their outdoor area. Don't be surprised if you pass a puppy in a cart at Home Depot or one at the Foley Outlets. If they're well-behaved, they can go practically anywhere.

PIRATES COVE MARINA AND RESTAURANT in Elberta is pirate-themed, and dogs are welcome, too. Ahoy, little doggies!

DOGGIE RESTAURANT ETIQUETTE

- » Make sure your pooch is well-behaved around other people, especially children. Leash your four-legged friend and keep him or her from socializing with other diners or employees, unless welcomed. Keep your pup close to your table or chair so he or she is not in the waiter's path. Dogs are not allowed on the chairs or tables.
- » Bring your own doggie bowl for water. Pets are not permitted to eat or drink out of restaurant glasses or dishes, unless they are disposable.
- » Remember to tie your dog to your chair and not the table. A dog tied to a table can result in spilled drinks or food.
- » Always call ahead or ask first to make sure an establish-

ment allows dogs at their outdoor tables.

AGRICULTURE

Baldwin County's history is rooted in agriculture. Settlers moved from all over the United States and from other countries to farm the rich soil, and generations later, their descendants are still raising families here. But many of the farms have been sold, and subdivisions have replaced them.

Nevertheless, you still don't have to look far to find acres of farmland set aside to produce commodities like corn, soybeans, beef cattle, peanuts and cotton, and farmers markets around the county overflow with fresh produce from small growers who sell locally.

WHERE WE TREAT YOUR PET LIKE FAMILY

"The customers are pleased with our work, and we keep our prices down." — Ronnie Parker

Looking around Baldwin County, one thing is certain — it's growing and changing. While Parker Kennels is indeed growing in employees, with ten employees and two groomers, one thing is definitely not changing at the local business.

"People don't have to worry about their dogs when they leave them here," owner Ronnie Parker said. "We love animals. I enjoy this, I grew up on a farm so I've been around animals all my life."

Parker Kennels opened in 1998, with 80 percent of the original building being constructed by the Parker family. The facility grew in 2019, when in anticipation of the growth being experienced in the county, a new building was constructed adjacent to the original wing. With the addition, there are 100 runs total and 22 small dog cages. It's impossible to give an exact capacity.

"It depends. If you were to bring in five dogs and wanted to put them all in the same run, we can do that," said Office Manager Jennifer Sarvold. "So we don't have a capacity limit, it just depends on how many dogs you have since we can put them together."

While making a reservation for your furry family members isn't required, it is highly recommended. Sarvold said they won't turn anyone away unless they are completely full, but ensuring enough staffing is scheduled on the weekends depends on an accurate count of how many dogs are being housed at once.

To help make check-in run smoothly for new customers, documents can be printed from the website and filled out prior to bringing in your pet. Shot records can be faxed, emailed, or brought in person. Sarvold said having paperwork done in advance gives families more time to take a look around the facility and get their dogs settled in.

For a small dog room, it's \$15/night. A large dog room is \$20/night. Additional animals can board in the same room for an additional \$10. Owners are welcome to come visit with their dogs or even pick them up from the kennel and take them with them for the day, as long as they have them back before closing for the night. Daycare is offered for those looking to drop their pet off while at work or vacationers who are doing activities

that do not allow pets. Daycare costs \$10/day, and dogs must be picked up by closing time. Since opening over 20 years ago, Parker Kennels has only had two price increases.

"We try to keep it as cheap as it can be to help the customers," Parker said. "We keep it reasonable for them. The Lord has helped us and supplied us with great customers."

The kennel's groomers stay booked out about a week in advance. It's possible for customers to schedule their next grooming appointment whenever they pick up their dog from a grooming, or even to schedule a routine for the entire year. Haircuts require an appointment and for your pet to be dropped off between 7 - 9 a.m. A bath is included with the haircut. If you're looking for only a bath without a haircut for your pup, no appointment is necessary. Dogs being dropped off for only baths need to be at the kennel by 2 p.m.

Anyone thinking about using Parker Kennels is welcome to stop by for a free tour of the facility. No appointment is necessary, interested parties are invited to come by anytime during operating hours.

Parker Kennels is located at 12606 County Road 65 in Foley. Hours are Monday-Friday 7 a.m. to 5 p.m. and Saturday, Sunday and holidays 7 a.m. to 8 a.m. and 4 p.m. to 5 p.m. You can reach them by calling 251-970-3647, visiting their website at ParkerKennels.com, or check them out on Facebook. DERAILED DINER'S PECAN PIE CHEESECAKE IS TO DIE FOR!

100
DISHES
TO EAT IN ALABAMA
BEFORE YOU DIE

And Now It's Official!

The Alabama Department of Tourism has featured our own Chef Kelvin's Pecan Pie Cheesecake in their **"100 Dishes To Eat In Alabama Before You Die"** for the past eight years in a row.

That's pretty heady company for a restaurant in a state known for its great food and hospitality. But we've known for a long time how great our cheesecake is...it disappears from our kitchen faster than you can say "that's so good, it makes me want to slap my mama."

So before you fill up on one of our award-winning homemade main dishes, make sure you leave room for a piece of pecan pie cheesecake.

It's to die for.
