Agencies coordinate quick recapture of escaped inmate

BAY MINETTE — Quick action and teamwork by local, county and state law enforcement agencies led to the recapture of an escaped inmate on Wednesday, July 14.

Tidwell

An alert was issued by the Baldwin County Sheriff's Department of an escaped inmate "last seen in Bay Minette behind the medical offices/hospital on Hand Avenue" at approximately 2:40 p.m. July 14. Less than an hour later, a second alert was issued that the inmate had been captured.

According to a release issued Thursday by the Bay Minette Police Department, Jessie Lee Tidwell Jr. was being transported for a scheduled visit to a doctor's office on Hand Avenue near North Baldwin Infirmary.

According to the release, Tidwell was being transported by a private security transport company, when he escaped the security officer's custody at some point after the transport vehicle was parked.

"A large law enforcement response descended on the area and a perimeter was quickly established," according to the release. "This allowed law enforcement to contain the escapee Tidwell to a small area."

Alabama Department of Correction K-9 teams tracked Tidwell to a maintenance facility owned by the Baldwin County Board of Education. Tidwell was found hiding in a wooden crate inside an unoccupied metal shop, approximately a quarter of a mile from where he originally escaped.

Tidwell made his way to this location through a heavily wet and wooded area from the doctor's office.

"The quick action and teamwork by all law enforcement agencies involved brought a quick and successful ending to this incident," according to the release. Bay Minette Police Department, Baldwin County Sheriff's Office, Baldwin Sheriff's Office Correc-

Magnolia Springs council drafting short-term and long-term plans to address drainage problems

By **JESSICA VAUGHN**
jessica@gulfcoastmedia.com

MAGNOLIA SPRINGS — In recent months, the Magnolia Springs council has heard from multiple citizens who are experiencing drainage issues on their properties. Many citizens have spoken of their flooded yards, eroding landscapes and fears that the water could cause damages to their homes over time. During the

July work session, the council asked the questions what can be done now to alleviate the problems, and what can be done long-term to stop further drainage issues?

"We've got a lot of problems, and we're going to have to identify the immediate needs and have a pecking order as to where we're going to go from here," said Mayor Kim Koniar. "We really have to identify the most important needs, what to

do about the problems, short-term costs and long-term costs, and that's where we're at right now. Some issues are immediate needs and then others are long-term, such as how do we handle the development that's coming to this area?"

One of the first steps will be to have an updated drainage study performed. The town has a study

Summerdale council to hold off on long-term water system plan

By **JESSICA VAUGHN**
jessica@gulfcoastmedia.com

SUMMERDALE — During the June meeting, the Summerdale council considered hiring Fabre Engineering and Surveying to create a long-term water system plan. Obtaining a proposal of what the plan would encompass as well as the cost of implementing the plan was free. After reviewing the proposal, the Summerdale council made the decision to hold off on moving forward at this time.

"The quote on the long-range water plan was \$24,856," said Mayor David Wilson. "In this long-range plan, it would orchestrate how the town would move forward with the water system according to growth, rate increases, maintenance schedules, all of that would be included in this systematic plan — it's also a lot of money. I think the people would be great engineers, but right now I'd like to ask the council to hang back on this, because FEMA has sent back they're holding back 30 percent of our monies."

Town Clerk Tiffany Lynn said the 30 percent withholdings is on the town's category A, or the debris. After receiving word from FEMA, Wilson said he believes the town should hold back from making any major expenditures that aren't immediately necessary in case another major storm comes to Baldwin County.

"On this FEMA money, we'll be able to appeal,"

Sampling Flavors of the South

ROBERTSDALE — The Central Baldwin Chamber of Commerce hosted its annual “Flavors of the South,” wine and food tasting event Thursday, July 15 at the Baldwin County Coliseum in Robertsdale.

The event is a premier showcase for local wine, beverage and restaurants, their chefs and culinary personalities. This is an opportunity to get involved with a large community event that allows for consumer exposure with attendance of more than 400 people.

The event drew more than 25 vendors (food and wine), showcasing culinary creations from throughout Baldwin County, said Chamber President/CEO Gail Quezada. Jennifer Lambers, Fox10 meteorologist served as judge for the competition and handed out awards for Best of Flavors dessert and Best of

Flavors entrée. Winners were: Dessert: The Grazing Tree, first place; Sweet Home Coffee, second. Entrée: Namans Catering, first place; The Jamaican Spot, second. In addition, the event

included a Small Business Expo, featuring local businesses, and a silent auction.

Title sponsor for the event was Advantage Business Solutions.”

Summer fun in Loxley

PHOTOS BY BROOKE ELLISON FLOWERS / TOWN OF LOXLEY

June has been a busy yet fun month for the Town of Loxley. June 1 kicked off the town’s annual youth summer camp held at the Civic Center. The five-week program participated in weeks themed as summer, space, sharks, patriotism, and Harry Potter. Each week campers had snacks and did arts and crafts, and many other activities that went along with the themes, with a water day each week as well.

that was completed in 2009 which will be used as a guide to begin comparing problems from then with problems faced now. Once an updated

study is completed, plans can be made as to how to proceed.

“This town has got so many drainage issues I don’t even know where to start,” said councilmember Steve Mobley, chair of the public works committee. “Every culvert in this town has a drainage

issue, and some of them are actually below the base of the ditch itself so they don’t drain ... A lot of the issues that we have are just plugged drains and ditches that have filled up over the years and the water can’t go anywhere, there’s no drainage to take it anywhere.”

Mobley suggested as a short-term relief effort, the town clean out as many clogged ditches and culverts as possible. At the suggestion of Town Engineer Richard Peterson and concerned citizens, Mobley said the cleanup should begin by the river and then work back, so as not to inadvertently cause more flooding issues. The next step would be to place sod.

Koniar said once top priorities are determined, she suggests a request for proposal be composed and approximately three quotes for the initial project sought. Mobley, along with councilmembers Ross Houser and Bob Turner, are working to prepare a short-term plan prior to the council meeting on July 27 that will detail immediate action that can be taken to help

alleviate drainage issues. A full, long-term plan will begin being developed after immediate issues are handled and a new drainage study has been performed.

“If you start clearing at the river, there’s enough rain around here, enough constant flow, that you’re going to start seeing where there’s some pull,” said Houser. “We’re not going to mess anything up as far as the grand plan by clearing out those ditches and cleaning out those culverts and getting it all going and then working our way back. I know we still need a master plan, but I don’t know if it has to be engineered to know that the pipes are full and we’ve got to clean them out.”

Mobley said that by doing short-term solutions now and working on long-term solutions in between, they can hopefully stop the current problems from persisting and getting worse. He and his committee have begun working on a short-term solution plan and look to present it at the July council.

Magnolia Springs Planning & Zoning commission looks to revise comprehensive plan

By JESSICA VAUGHN
jessica@gulfcoastmedia.com

MAGNOLIA SPRINGS — Chairman of Magnolia Springs Planning and Zoning commission Mark Mattox approached the council during June's workshop about potentially revising the comprehensive plan. Mattox joined the board last year before being appointed as chairman. This led Mattox and others serving on the board to dive deeper into the rules and responsibilities of the board to get a better understanding of town operations.

"As a result of me digging, I have learned more about how I think the town needs to function with the three entities that are kind of driving the town forward," said Mattox. "That's the council, the Planning and Zoning commission and the Board of Adjustment."

Mattox says he would like to get all three entities on the same page moving forward to help with the growth of the town. The main document that guides this growth is the comprehensive plan, something Mattox believes needs attention.

"At the end of the day, Planning and Zoning acts as an advisory to [the council], we have no inherent power other than enforcing subdivision regulations, but we have a huge amount of responsibility developing and administering the comprehensive plan," he said. "This document has not been revisited since it was done in 2008."

Mattox said any new development coming to Magnolia Springs, either residential or commercial, can see the direction the community is heading long-term via the comprehensive plan, which makes it hugely important to the town's overall development. He and his team are looking to revisit the comprehensive plan and hope to have the first draft completed by the fourth quarter before entering the revision phase.

"The important thing is we all have to go back to the comprehensive plan, that's what marries us. The Board of Adjustment, planning commission, town council, we all look at this plan as our guide, and this needs to be amended on a regular basis as things happen in our community," Mattox said.

Rather than just making changes, Mattox said money will need to be spent on studies to identify what issues will have to be addressed when planning for the town's future growth. Everything from traffic flow to drainage issues needs to be considered when drafting the comprehensive plan.

"Long term, 15 to 20 year planning has got to look at utilities, it's got to talk about water in the Town of Magnolia Springs, it's got to talk about sewer, it's got to talk about things that have been perhaps tumultuous to deal with in the past but it doesn't mean we can't revisit it as part of a plan," said Mattox.

He said the original comprehensive plan heavily

focused within town limits. However, everything outside of town limits, within the town's extraterritorial jurisdiction (ETJ), was largely unincorporated. This needs to be corrected within the revisions, Mattox says.

"Traffic, water quality, all the things that make our town are going to be affected by growth outside of the town limits," said Mattox. "That's why the ETJ is such a critical part of this community's forward movement in my opinion."

So far, the commission has looked over the plan and discussed steps going forward to change the plan. Next, Mattox would like to see the formation of an ad hoc committee that includes people from within town limits as well as people from the town's ETJ.

"I think it's critically important that we have a cohesive group of people that are touched by the community, that we invite people that may not feel a part of Magnolia Springs to help come up with this plan," he said. "To be transparent, part of that is going to be looking or exploring ideas about putting new districts into the ETJ ... They're no less part of Magnolia Springs than the others are because the river brought us all together. So having that vision and pulling those people together, we'll hopefully come up with a new document."

Wilson said. "We didn't do anything wrong, we followed the guidelines, we had the monitors that we paid for who only allowed us to do what would be funded by FEMA, meaning a lot of stuff was left behind, stuff that we felt needed to be done and that we went ahead and paid for. So we put out a lot of money trying to cover the bases that FEMA would not, and we've got some projects in town that we want to move forward with, that we need to move forward with, and that we'll spend a good amount of money on. I just don't see where we need to spend money on something that can wait, we need to pace ourselves."

Lynn said town staff is researching possible grants to help fund future projects. She said the town recently received a check from FEMA for \$22,000 for category B, or emergency preparations and other reimbursements have been received as well. She said a problem the town

is facing is reimbursement on leaners and hangers, or trees or tree limbs hanging or leaning over a right of way or sidewalk that could be potentially dangerous to the public.

"I've already talked to Volkert, they said they're aware of it and have all their

documents," Lynn said. "I know we're not the only ones having this issue, the county is having it and then some other municipalities as well."

Lynn said a vote to appeal may potentially be brought before the council at a later date, pending on discussions with FEMA.

Council approves contract for wastewater treatment plant upgrades

By JOHN UNDERWOOD
johnd@gulfcoastmedia.com

LOXLEY — The Loxley Town Council approved a contract Monday, July 12 for part of a nearly \$9.6 million project to make improvements to the town's wastewater treatment plant.

Upon the recommendation of Goodwyn, Mills and Cawood, that serves as project manager, the council awarded the contract for effluent outfall upgrades totaling nearly \$4 million to Rob't J. Baggett Inc. to be paid for with USDA Rural Development loan/grant funds.

On July 7, the town received two construction bids which were opened and read

aloud during the bid opening. Goodwyn, Mills and Cawood Inc. tabulated and certified the bids received and recommended Rob't J. Baggett Inc. as the lowest bidder in the amount of \$3,988,735.

In March of 2019, the town was awarded a loan from the U.S. Department of Agriculture in the amount of \$4.825 million and a grant in the amount of \$4.723 million for "improvements to the Wastewater Treatment Plant and Sanitary Sewer Outfall."

The town council voted in June of 2016 to approve preliminary and environmental improvements to the 12-year-old plant in preparation for a USDA grant/loan

program.

Among the improvements include:

- Dredging of the equalization basins to allow for additional capacity.
- Expanding the wastewater plant to account for the additional capacity.
- Increasing the size of outfall lines to increase overflow capacity into nearby Fish River.
- Upgrading of electric motors and pumps to account for the additional capacity.

A USDA loan will then cover whatever amount is not covered by the grant.

According to the terms of the grant agreement, which was approved by the council

at its April 2019 meeting, the USDA will pay nearly 50 percent (49.52) of the project costs, a total of \$4,723,000, while the town will pay the remainder of the cost, \$4,825,000.

The grant agreement requires the council to pass a resolution awarding the contract for the upgrades, which was passed unanimously at the July 12 meeting with all council members present.

In other business July 12 the council:

- Adopted an ordinance amending the town's Zoning Ordinance to re-zone property located on North Holley Street from R-1A (residential-single family) to B-1 (general business

district).

- Adopted an amendment to the Zoning Ordinance concerning parking requirements for residential structures.
- Agreed to place temporary stop signs at the corner of Second Avenue and Alabama Street for three months, changing the intersection from a two-way to a four-way stop at the request of local residents concerned over excessive speed in the area.
- Purchased a Diamond Sponsorship for the Central Baldwin Middle School volleyball and basketball teams for six years at a cost of \$1,500.
- Purchased a full-page ad

- in Gulf Coast Media's Back To School preview at a cost of \$435; and a half-page ad in Gulf Coast Media's Baldwin County Fair magazine at a cost of \$295.
- Approved an amendment to a utility easement from Blessed Francis Xavier Seelos Parish on U.S. 31 in Loxley.
- Purchased a Cannon EOS Rebel for the town's public relations department.
- Approved a quote in the amount of \$7,500 to replace the roof on the gazebo at Cedar Street Park
- Approved a request to construct two offices in the auditorium at town hall with an estimated cost of \$11,596.

Corrections agencies were all involved.

According to Alabama Department of Corrections records, Tidwell had served just over eight years of a 30-year sentence at Fountain Correctional Facility in

Escambia County on second-degree forgery charges from Lauderdale County, and separate charges of second-degree criminal possession of a forged instrument and second degree rape from Colbert County.

A buzzy day

ALLISON MARLOW / STAFF PHOTOS

Children enjoyed a day out at the annual Plants and Pollinators Summer Family Fun Day hosted by Baldwin County 4-H and Baldwin County Master Gardeners. The children learned how bees build hives, worked with plants and had a watermelon seed spitting contest. The event capped a series of weekly 4-H summer activities that included baking and archery.

Girl Scout Troop 8017, of Fairhope, collected nearly 100 books for one of Baldwin County Public School's newest teachers Hannah Vasko. The scouts collected books and donated some of their own favorites to Vasko's fifth grade class at Elberta Elementary School. Many of the scouts wrote notes to her students in the front of the books to share why they enjoyed reading that book.

Baylor University celebrates graduates

Submitted

Baylor University celebrated more than 7,500 graduates of the Classes of 2020 and 2021 during six in-person commencement ceremonies May 6-8 at McLane Stadium on the banks of the Brazos River.

President Linda A. Livingstone, Ph.D., presided over the outdoor ceremonies that honored nearly 2,800 spring 2021 Baylor graduates, as well as more than 4,700 May, August and December 2020 graduates, whose ceremonies were canceled or held virtually due to the COVID-19 pandemic. The commencement

ceremonies also were the first held outdoors at Baylor since May 27, 1955, when graduation was held in what was then called Baylor Stadium (later renamed Floyd Casey Stadium).

"Amidst all the change in our students' lives, one thing hasn't changed. They are all Baylor Bears. They are united by that shared experience, and they have something to celebrate together," Livingstone said. "It's a unique time of life, and one worth celebrating our graduates' hard work and accomplishments to the fullest-even if that celebration was delayed for a year."

Provost Nancy Brickhouse, Ph.D., and the deans of Baylor's 12 colleges and schools presented degree candidates for the recommendation of undergraduate degrees. More than 60 faculty members served as marshals and ushers during commencement.

Local graduates were:

- Emily Laelle Dunn, Bachelor of Science, biology, Summa Cum Laude, College of Arts & Sciences, of Spanish Fort
- Christopher Alexander Morgan, Bachelor of Arts, international studies, College of Arts & Sciences, Spanish Fort

South Baldwin Regional Medical Center graduates first Family Medicine Residency class

Submitted

South Baldwin Regional Medical Center celebrates its first class of graduates from the Family Medicine Residency Program, which launched in July 2018. Eight residents were honored at the graduation ceremony for their achievements and dedication to developing their medical skills and knowledge to treat patients.

Approved by the Accreditation Council for Graduate Medical Education (ACGME), the three-year family medicine program offers admission to eight residents in each class. The goal is to provide a well-rounded experience

for physician residents who want to pursue a career as a community-based family medicine provider. Each year includes 13 four-week rotations in which residents provide hands-on patient care for the specified topic focus, including but not limited to general surgery, obstetrics, ER and pediatrics.

“We celebrate the graduating resident class of 2021 as they enter their chosen field of practice at South Baldwin, in our region and across the nation,” said Eric Roach, CEO at South Baldwin Regional Medical Center. “The excellence of each graduate is exemplified by their many hours and achievements,

and most certainly by their commitment and leadership during the past three years. We wish them the best, and greatly anticipate the energy of the next rising classes of residents as they progress in our program.”

Family medicine physicians specialize in caring for children, teens and adults, offering well checks, immunizations, sick visits, men and women’s health screenings and office-based procedures such as skin biopsies, orthopedic injections and contraception.

Specialists in family medicine also support the prevention and management of chronic diseases, such as

diabetes, asthma and heart disease.

Timothy Mott, M.D., Michael Linder, M.D. and Cary Ostergaard, M.D. designed the Family Medicine Residency Program, and Carol Motley, M.D. and Chris Bogar, Ph.D. were part of the initial core faculty.

“I am both proud and honored to have watched these eight graduating residents succeed through the Family Medicine Residency Program. They have persevered and grown tremendously over the last three years,” said Timothy Mott, M.D., Family Medicine Residency Program Director. “Each resident has had to learn in challenging, uncharted territory and has excelled. I wish each of them the best and feel grateful they chose South Baldwin’s Family Medicine Residency Program to complete their medical training.”

Graduating physicians from South Baldwin Regional Medical Center’s Family Medicine Residency Program this year include Liza Hamrick, D.O.; David Echeverri, M.D.; Luke Fondren, D.O.; Adam Hamrick, D.O.; Brian Hopkins, D.O.; Ashley Hunter,

SUBMITTED PHOTO

M.D.; Ethan Sellers, D.O.; and Autumn Walker, M.D. Each of the graduates passed their board certification exams on the first attempt and the program’s average score was significantly above the national average. This is the first graduating class from South

Baldwin Regional Medical Center’s residency program. For more information on South Baldwin Regional Medical Center’s Family Medicine Residency Program or to apply, visit www.southbaldwinrmmc.com/hospital-residency-program.

Variants of SARS-CoV-2

Variants of SARS-CoV-2 continue to circulate in Alabama and pose a significant threat of increased disease. Variants of Concern reported, as of July 9, are Alpha (820 cases), Beta (2 cases),

Gamma (31 cases), and Delta (56 cases). These variants are more transmissible, specifically the Alpha and the Delta, and some variants have less response to treatments such as monoclonal antibodies.

Percent Positivity Escalates

Alabama’s current statewide percent positivity for COVID-19 has increased to its highest level since February 2021, 7.7 percent. This is equal to the percent positivity recorded April 3, 2021, when vaccines had not been readily available.

Percent Increase in COVID-19 Cases

The number of COVID-19 cases reported in Alabama has risen 39% from June 26, 2021, to July 9, 2021. The best way to prevent getting the highly infectious and easily transmissible Delta variant or any other strain of COVID-19 is to get vaccinated as quickly as possible. The vaccines we have are highly effective and their benefits far outweigh any risks. Only a very small percentage of deaths due to COVID-19 are among the fully vaccinated population.

COVID-19 Hospitalizations Increase

As of July 14, 2021, 341 persons were reported hospitalized as a result of COVID-19 disease. On July 3, 2021, 179

COVID-19
CONTINUED FROM 2B

persons were hospitalized due to COVID-19. Increases in numbers of COVID-19 cases and hospitalizations due to COVID-19 are the result of low vaccine rates and unvaccinated persons not following preventive measures for themselves such as wearing masks, good hand hygiene,

and social distancing. So long as Alabama has such low rates of vaccination, cases will continue to rise, posing risk of illness and death from COVID-19, as well as threatening the ability of our healthcare system to treat all Alabamians.

Make Vaccination a Priority
This July 14, 4,124 doses of COVID-19 vaccine were ad-

ministered in the state. At the height of vaccine administration on April 8, 45,128 vaccine doses were given. Young people and others who are taking a wait-and-see stance on vaccination should be aware that they need to protect themselves, their families, friends, and communities by getting vaccinated as soon as they can. Safe, effective, and free vaccine shields vulnerable people and saves lives.

Beginning in 2017, researchers uncovered two dozen scroll pieces from the Cave of Horror near the western shore of the Dead Sea. Written in Ancient Greek language around A.D. 133-136, this is a message from Jesus to all us today:

"These are the things which you shall do: speak the truth to one another; judge with truth and judgment for peace at your gates. Also let none of you devise evil in your heart against another, and do not love perjury; for all these things are what I hate," declares the Lord. - Zechariah 8:16-17 (NASB)"

NOTICE OF MORTGAGE FORECLOSURE SALE

STATE OF ALABAMA COUNTY OF BALDWIN

Default having been made of the terms of the loan documents secured by that certain mortgage executed by James Kevin Bassett A Single Man to Mortgage Electronic Registration Systems, Inc. as nominee for First Guaranty Mortgage Corporation, its successors and assigns dated January 26, 2017; said mortgage being recorded on February 1, 2017, as Instrument No. 1615867 in the Office of the Judge of Probate of Baldwin County, Alabama. Said Mortgage was last sold, assigned and transferred to First Guaranty Mortgage Corporation in Instrument 1744048 in the Office of the Judge of Probate of Baldwin County, Alabama.

The undersigned, First Guaranty Mortgage Corporation, under and by virtue of the power of sale contained in said mortgage, will sell at public outcry to the highest bidder for cash before the main entrance of the Court House in Baldwin County, Alabama during the legal hours of sale (between 11am and 4pm), on the 10th day of August, 2021 the following property, situated in Baldwin County, Alabama, to-wit:

Lots 11 and 12, Silverhill Estates, according to the map or plat thereof recorded in Slide 2356-D and amended at Slide 2400-A in the Probate Records, Baldwin County, Alabama.

Said property is commonly known as 21720 Westside Loop, Silverhill, AL 36576. Should a conflict arise between the property address and the legal description the legal description will control.

Said property will be sold subject to any outstanding ad valorem taxes (including taxes which are a lien, but not yet due and payable), the right of redemption of any taxing authority, all outstanding liens for public utilities which constitute liens upon the property, any matters which might be disclosed by an accurate survey and inspection of the property, any assessments, liens, encumbrances, easements, rights-of-way, zoning ordinances, restrictions, special assessments, covenants, the statutory right of redemption pursuant to Alabama law, and any matters of record including, but not limited to, those superior to said Mortgage first set out above. Said property will be sold on an "as-is" basis without any representation, warranty or recourse against the above-named or the undersigned. The successful bidder must present certified funds in the amount of the winning bid at the time and place of sale.

Alabama law gives some persons who have an interest in property the right to redeem the property under certain circumstances. Programs may also exist that help persons avoid or delay the foreclosure process. An attorney should be consulted to help you understand these rights and programs as a part of the foreclosure process.

The sale will be conducted subject (1) to confirmation that the sale is not prohibited under the U.S. Bankruptcy Code and (2) to final confirmation and audit of the status of the loan with the holder of the Mortgage.

NOTICE OF MORTGAGE FORECLOSURE SALE

STATE OF ALABAMA COUNTY OF BALDWIN

Default having been made of the terms of the loan documents secured by that certain mortgage executed by James Kevin Bassett A Single Man to Mortgage Electronic Registration Systems, Inc. as nominee for First Guaranty Mortgage Corporation, its successors and assigns dated January 26, 2017; said mortgage being recorded on February 1, 2017, as Instrument No. 1615867 in the Office of the Judge of Probate of Baldwin County, Alabama. Said Mortgage was last sold, assigned and transferred to First Guaranty Mortgage Corporation in Instrument 1744048 in the Office of the Judge of Probate of Baldwin County, Alabama.

The undersigned, First Guaranty Mortgage Corporation, under and by virtue of the power of sale contained in said mortgage, will sell at public outcry to the highest bidder for cash before the main entrance of the Court House in Baldwin County, Alabama during the legal hours of sale (between 11am and 4pm), on the 10th day of August, 2021 the following property, situated in Baldwin County, Alabama, to-wit:

Lots 11 and 12, Silverhill Estates, according to the map or plat thereof recorded in Slide 2356-D and amended at Slide 2400-A in the Probate Records, Baldwin County, Alabama.

Said property is commonly known as 21720 Westside Loop, Silverhill, AL 36576. Should a conflict arise between the property address and the legal description the legal description will control.

Said property will be sold subject to any outstanding ad valorem taxes (including taxes which are a lien, but not yet due and payable), the right of redemption of any taxing authority, all outstanding liens for public utilities which constitute liens upon the property, any matters which might be disclosed by an accurate survey and inspection of the property, any assessments, liens, encumbrances, easements, rights-of-way, zoning ordinances, restrictions, special assessments, covenants, the statutory right of redemption pursuant to Alabama law, and any matters of record including, but not limited to, those superior to said Mortgage first set out above. Said property will be sold on an "as-is" basis without any representation, warranty or recourse against the above-named or the undersigned. The successful bidder must present certified funds in the amount of the winning bid at the time and place of sale.

Alabama law gives some persons who have an interest in property the right to redeem the property under certain circumstances. Programs may also exist that help persons avoid or delay the foreclosure process. An attorney should be consulted to help you understand these rights and programs as a part of the foreclosure process.

The sale will be conducted subject (1) to confirmation that the sale is not prohibited under the U.S. Bankruptcy Code and (2) to final confirmation and audit of the status of the loan with the holder of the Mortgage.

ARNOLD

John "Jack" H. Arnold II, age 61, a native and lifelong resident of Fairhope, passed away Saturday, July 10, 2021. Jack was preceded in death

by his father, Claud W. Arnold, and mother, June B. Arnold.

He is survived by his children, John Ryan Arnold, Shanna Arnold and Patrick Arnold; grandchildren, Alexis, Jacob and Josh; brothers, Paul Arnold, Chuck Ellis, Tom Arnold, Willis Arnold and Seth Arnold; sisters, Sharon Brown, Margaret Lynn Ellis, Migon Bishop, Carolyn Arnold Swan and Alodia Arnold; numerous nieces, nephews, many other relatives and friends.

A celebration of life memorial service was held on Tuesday, July 13, 2021, 6 p.m., at the American Legion Post

199.

In lieu of flowers, the family suggests that memorials be made to the Sons of the American Legion Post 199, 700 South Mobile Street, Fairhope, 36532.

Arrangements by Wolfe-Bayview Funeral Homes & Crematory, Inc. 19698 Greeno Road, Fairhope, 36532. 251-990-7775. www.wolfefuneralhomes.com.

BARFIELD

James Christian Barfield, age 53, of Gulf Shores, passed away on July 9, 2021. A Celebration of Life service was held on Saturday July 17, 2021 at 11 a.m. at the Gulf Shores United Methodist Church. Please go to www.casonfuneralservice.com and sign the Memorial Book. Arrangements are entrusted to Cason Funeral Service in Foley.

CARLSON

Carol Ann Carlson, Lillian, went on to a heavenly life on July 3, 2021. Carol was one of those rare people who would always be there if you needed her. A true friend. She was always searching for family, but never found them. Her many friends and her dogs were her family.

Carol was self-employed and worked seven days a week. No coaxing could change her habit of putting others before herself. There wasn't a difficult job that Carol would turn down—laying sod, cleaning, or caretaker. She was mechanically inclined and worked on her vehicles and mowers.

Carol had a stroke on June 10, 2021 and would have been 79 on Aug. 25, 2021. She was a faithful member of the Baha'i faith. She was under Hospice care at the home of her dear

friends, Michael and Darlene Mathein, Fairhope.

Her request was to not have a memorial service. Donations to Baldwin Humane Society (exdir@baldwinhumane.org) are appreciated. May you rest in peace, Carol.

FALISE

Alberta Dugan Falise, 83 of Daphne, passed away on Monday, July 12, 2021. Services will be held at a later date in Pennsylvania. Wolfe-Bayview Funeral Homes & Crematory, Inc. 27409 U.S. Hwy. 98, Daphne, 36526 has been entrusted with the care of Mrs. Falise. www.wolfefuneralhomes.com.

FOSTER

In remembrance of Bebe Foster (Adileen D. Foster), we will hold a memorial service for her on July 24, 2021, at 3 p.m. in the Parish Hall at Saint Paul's Episcopal Church, 506 N. Pine Street, in Foley. Please join us as we celebrate my mother's deep love and dedication to family, friends, and community.

We ask that those who are unvaccinated wear a mask to protect the children and elderly who might be susceptible to the Delta variant. Thank you in advance for your generosity.

GORSS

Eleanor Baty Gorss, 97, beloved by all her family, passed away peacefully Thursday morning, May 20, 2021, at home in Gulf Shores. Her family wishes to thank the staff of Community Hospice of Baldwin County, for their gentle, loving care of Eleanor over several weeks.

Born on April 28, 1924, in Maryland, N.Y., Eleanor was the fifth of seven children

born to Ray Don and Beatrice (Ellithorpe) Baty. The family moved to Bloomingburg, N.Y., and stories abound of Eleanor and sister Jeanette singing at church, square dancing, and roller skating everywhere. Growing up, their father grew and raised a lot of their food, appreciated even more so during the depression. Eleanor attended early school years in Bloomingburg, N.Y., where her father was teacher and principal. In 1941 she graduated from Middletown High School where writing poetry was a favorite pursuit. She went to work in the accounting department of a Middletown bank and loved it. She said it was "like playing". When she was just 15, Eleanor met Donald Gorss, of Montgomery, N.Y., at a Grange square dance. They started keeping company. They went fishing together. He taught her to drive his Model T. On July 8, 1942, they became husband and wife, settling in Montgomery. A few months later, in the midst of WW II, her young husband enlisted. While he trained to become a pilot in the U.S. Army Air Forces, Eleanor traveled to see Don wherever she could. In 1944, their first of four children was born. After Don came home in 1945, making ends meet running the small airport in Montgomery was a struggle. Always rooted in faith and family, in early 1949, now with two children, and one expected, they changed course. Don and his brother Gerald partnered in opening Gorss Chevrolet in Cornwall-Hudson, N.Y. In 1950, with their three little ones, they moved to Cottleville. The move involved Eleanor and her brood being "interviewed" to rent a house on Storm King Mountain. After a couple tense "kid" moments, it all worked out and both parties gained instant playmates for their children in this idyllic paradise. In 1953 they welcomed their fourth child.

We were raised on a foundation of love, discipline, security and fun. We learned by example and made memories we treasure. As little kids, we remember Mom dressing up to go out with Dad. We did a lot of things as a family unit, unaware of the steady role our Mother played in all of it. We had exciting adventures on ponds, rivers, lakes and mountains. Summer suppers together usually included fresh sweet corn and tomatoes. We knew all our grandparents, aunts, uncles and cousins, gathering with them often. Thanksgiving and Christmas were extra special family events. In 1958 we moved back to Montgomery. By then, Dad had taken up golf and then, so did Mom—a passtime they enjoyed together into their eighties. She was a natural, playing all the time, with Dad, in foursomes, and exceling in league competition—even scoring a hole-in-one one time on her home course at The Osiris Country Club in Walden, N.Y. In the off seasons, she and her sister Lois volunteered as Brownie troop leaders and also participated together in a competitive bowling league.

In the 1960s, Indian Lake in the Adirondacks became a focal point for our family, and still is. Mom and Dad had become Grammy and Grampy and spent a lot of the summer there. Their six grandchildren grew up making memories, too, with lake activities, hiking, campfires, and Grammy's abundant blueberry pancakes and tollhouse bars. Afternoons might often see the two grandparents slipping away for a peaceful sail on the lake.

All through their lives, Mom was close to her sisters and Indian Lake was the perfect place for them to gather. In 1989 our parents built a home on the intra-coastal waterway in Gulf Shores, permanently escaping northeast winters. And now they could golf year round! Starting in 1996, and well into the 21st century, 15 great-grandchildren arrived on the scene. Family traditions our parents started in the 40s continued, and will continue, on through the generations at Indian Lake. At the heart of it all was our Mother.

As a lifelong member of the Presbyterian Church, bible study and prayers of all kinds were also regularly a part of Mom's day. Throughout her life she was sharp on facts, figures and family history, and an eyewitness for much of it. She had many stories to tell and knew everyone's birthdate on both sides of her large extended family. In later years, especially on birthdays, Aunt Eleanor kept in touch with many of her nieces and nephews. "And that's the story of Eleanorie," she used to say. A life of genuine goodness, faith, loyalty and love. A life well-lived.

Eleanor was predeceased by Donald, her husband of 68 years (2010); her son, Jeremy, (2019); her parents; and all her siblings (Ray Don, Allen Lee, Dorothy Sickel, Lois Wolf, Jeanette Baxter, Beatrice Eriksen) and in-laws of that generation.

She is survived by her children, Jeff (Peggy) Gorss, Jane (Greg) Prine, Lois (John) Nixon; her grandchildren, Dan (Linda) Gorss, Karen (Alex) Benko, Connie (Pat) Wall, Carrie (Zack) Broucker, Travis (Stacy) Nixon, Jamie (Kevin) Saff; her great grandchildren, Meghan, Sarah, Caitlin, Adriel, Klara, Maddie, Ellie, Liam, Ava, Wyatt, Weslee, Ajax, Avery, Jenna and Brayden; and her many nieces and nephews.

The family will gather for a memorial celebration at Indian Lake on July 24. Burial will be July 28 at Riverside Cemetery, Montgomery, N.Y. Donations in Eleanor's memory may be made to Community Hospice Foundation of Baldwin County, 1450 N McKenzie St, Foley, Ala. 36535 or First Presbyterian Church of Gulf Shores, PO Box 256, Gulf Shores, Ala. 36547.

LEONARD

Arthur Lawrence Leonard, age 82, a native of West Hazleton, Penn., and a resident of Daphne, passed away on July 6, 2021.

Art graduated from West Hazleton High school. Upon graduation, he joined the U.S. Air Force, where he worked on U-2 reconnaissance aircraft as a structural mechanic. After his four years of service, he attended Wichita State University on a football scholarship. In 1968 he enlisted in the U.S. Coast Guard as a structural mechanic working on H-52 & H3 helicopters and doing search and rescue on the water. He retired from military service in 1984 at Air Training Center Mobile. He worked for BF Goodrich as a structural mechanic working on turbine engine thrust reversers and retired from there after

Seniors celebrate Independence Day

SUBMITTED PHOTOS

Robertsdale seniors celebrated Independence Day a little early on Friday, July 2 at the George P. Thames Adult Activity Center on East Chicago Street. Everyone had a great time, watched a virtual fireworks show and celebrated with wonderful food and fantastic friends. A special thank you to Alabama Hospice Care, Community Hospice, Comfort Care Home Health, Springhill Home Health, Kindred Hospice and Southern Care Hospice Services for helping make this event a success. Daily, weekly, monthly and special events for adults over age 50 are hosted at the center and at the PZK Hall on Alabama 104 in Robertsdale. For more information you can pick up a monthly calendar at the center, call Center Director Amy Ochello or staff volunteers at 251-947-8973, or email robertsdaleniiorcenter@gmail.org. You can also check out the Robertsdale Senior Center page on Facebook.

Team USA sitting volleyball coach Greg Walker named United States Sports Academy 2021 Alumnus of the Year

USSA.edu

DAPHNE — A volleyball coach with more than a decade of experience coaching at the Paralympic and collegiate levels, Greg Walker has been named the United States Sports Academy's 2021 Alumnus of the Year.

Walker earned his Bachelor of Sports Science degree in sports coaching cum laude from the Academy in 2012 and is the current head coach of the U.S. Men's Sitting Volleyball National Team and a consultant and training coach for the Men's Indoor National Team. He is also the head volleyball coach at Smith College in Northampton, Mass.

A native of Huntingdon, Pa., Walker has been active with the U.S. Men's Sitting Volleyball Team since 2013

and has served as head coach since 2016. Sitting volleyball is a variation of the original game but designed for athletes with adaptive needs. The sport is governed by the same rules as the traditional game with a few modifications. Players must maintain seated contact with the floor, the net is just over 3 feet high, and the court is approximately 33 feet by 20 feet. Highlights of his service include leading the American team in the 2016 Paralympics in Rio de Janeiro and to a silver medal at the 2017 ParaPan American Championships.

Walker said his Academy education helped propel his career at a time when he was working as an assistant volleyball coach in the collegiate

Walker

ranks. "The Academy really showed me how much goes on behind the scenes in an athletic program," Walker said. "Once I realized I wanted to pursue coaching as a career,

I knew I needed a thorough education with more than just formations and plays. The Academy gave me an in-depth knowledge of the ethics, psychology and theories behind coaching and my career has benefited because of it.

"The thing that makes the Academy so great is that it offers sport specific studies with incredibly supportive faculty to help with the distance learning. The faculty and instruction at the Academy are second to none. The faculty also has an extensive amount of work in the athletics field. They are able to really facilitate discussions and actually

take the time to really connect with students.

"The Academy also has great resources for students. I learned a lot by reading The Sport Journal and my course materials because I was immediately able to use that information in my career. My education at the Academy helped to fine tune the skills I use every day."

Walker was named a member of the American Volleyball Coaches Association "30 Under 30" class for 2017, an award that honors up-and-coming coaches at all levels of the sport. He said he is excited to be part of one of the fastest growing sports in the United States.

"Volleyball is growing exponentially around the country and it recently overtook basketball as the most-played sport for girls and women in America," Walker said. "I'm excited to see that around the

country, leagues and clubs are opening for younger and younger kids each year. You also have beach volleyball programs beginning around the country and in non-traditional places. Boys and men's volleyball is also growing — last year 12 new collegiate men's programs started, including several in Division 1. That's unprecedented."

Before being hired at Smith College in 2020, Walker spent the 2019 season as an assistant coach at the University of Southern California. There, he oversaw all recruiting efforts, planned practices, created scouting material and was the point person for admissions, compliance, academic support, strength and conditioning, sports information and equipment. His career also includes coaching stops at Sacred Heart University (Ct.), Alderson Broaddus University (W.Va.), Pfeiffer

University, and Mississippi State, and additional time as a volunteer coach at the University of Oregon, Mercer University, and Juniata College.

"I love sports because of the role they play in making an impact in the lives of athletes," Walker said. "Coaching volleyball, I get to work with young people during one of the most pivotal times in their lives. I'm fascinated with how sport is a microcosm of life."

The United States Sports Academy is an independent, non-profit, accredited, special mission sports university created to serve the nation and world with programs in instruction, research and service. The role of the Academy is to prepare men and women for careers in the profession of sports. The Academy is based in Daphne, Ala.

2021 AHSAA Summer Conference and All-Star Sports Week underway

AHSAA.com

MONTGOMERY — The AHSAA and AHSADCA 2021 Summer Conference at the Montgomery Renaissance Hotel and Convention Center is in session this week through Friday, July 23. All-Star Sports Week is also underway with all-star competition featuring rising seniors in the sports of baseball, boys' and girls' basketball, softball, volleyball, boys' and girls' soccer, boys' and girls' golf and boys' and girls' tennis.

The production team from Central-Phenix City High

School's NFHS Network school broadcast program, led by executive producer Tim Loreman, live-stream is available for the following North-South all-star events — baseball, softball, boys' and girls' softball, boys' and girls' soccer and volleyball - over the NFHS Network with the AHSAA TV Network provider WOTM TV covering the events as well. Highlights will be gathered from the other events: boys and girls golf, tennis and cross country. The AHSAA Sportsmanship Luncheon is on Friday at noon and the AHSAA Coaches' Championship banquet is Fri-

day night at 6 p.m. That will also be live-streamed over the NFHS Network thanks to NFHS Network producer Jonathan Whitfield.
