Welcome to the celebration.

Best of Baldwin awards the best in one of the nation's most appealing counties. And there was nothing typical about Best of Baldwin 2022.

Nearly 300,000 votes cast on GulfCoastMedia.com made this year's contest the largest in the history of the county, an exponential growth over last year emblematic of the area as a whole.

Locals, semi-regular residents and some excited tourists cast their votes to determine finalists. Ultimately, more than 400 winners were decided on, and they're listed inside this magazine.

To the winners, thank you for your commitment to Baldwin County. Thank you for working through the hard days, making the tough decisions and taking risks. Your efforts are commended.

To the voters, use this list in your everyday lives. Find a hairstylist, a mechanic or place to enjoy the day. From Alabama's pristine Gulf Coast to the Eastern Shore and beautiful landscape of this massive county we call home, the celebration of local people, places and businesses abound.

At Gulf Coast Media, we're committed to bringing Baldwin County the nation's best in local media as well. With our deep roots providing information through the county's newspapers and most popular magazines, the Gulf Coast Media of 2022 is built to grow.

We're building on our ways to reach locals and tourists alike. Through video, podcasts, contests, social media, email newsletters and more, we're adding information and points of connection to improve the lives of our neighbors and our region.

We believe local media at its best connects and builds our community. That's what Best of Baldwin is all about, and that's what Gulf Coast Media of 2022 is all about as well.

I would like to invite you to join us on our journey of growth. Subscribe to a local newspaper and get complete digital access to local news at gulfcoastmedia.com/subscribe. Sign up for our free email newsletter at gulfcoastmedia.com/newsletter. Follow Gulf Coast Media on Facebook, Instagram and Twitter. Partner with our organization and reach all areas of Baldwin County and beyond through print and digital products.

This magazine features many of the reasons Baldwin County is the immensely popular county it is, and it features the reasons why the future of the county remains so bright. All according to you.

I'm humbled and elated to be able to join you on the journey, Baldwin County.

Best of luck in 2022.

Vince Johnson

“God has opened more doors than I ever thought was possible. Through faith and believing I could make a difference, bringing value to those around me has been my goal since starting this journey in 2019.”

The clients he has the privilege of serving appreciate the focus on helping and the drive to bring them results.

“Helping people turn dreams into goals then achieving those goals is what I love best.”

“It’s the feeling you get when a family closes on that perfect house to make a home. You just can’t put a price tag on it. To me, it’s bigger than that property it’s where you work, play and raise a family.”

The Time Is Now

No better time than the present and that was the motivation needed to start his Real Estate career.

“I was in a place where I felt like I should do more for my family’s future. I knew with Real Estate I would be fully committed, often working 14hr days 7 days a week to bring my clients results.”

Hard Work Works

In 2020 his hard work paid off helping 35 families and becoming Rookie Of The Year for his entire company spreading across 26 states with nearly 4,000 agents.

“I look back on that year and how difficult yet rewarding it was. We started the year expecting our second child, then Covid, a presidential election and throw in a couple of bad hurricanes, it was one for the books. Through all of that we actually came closer together as a family and as a community finding and helping those in need. I can appreciate the struggle that helped shape me.”

What’s It All For

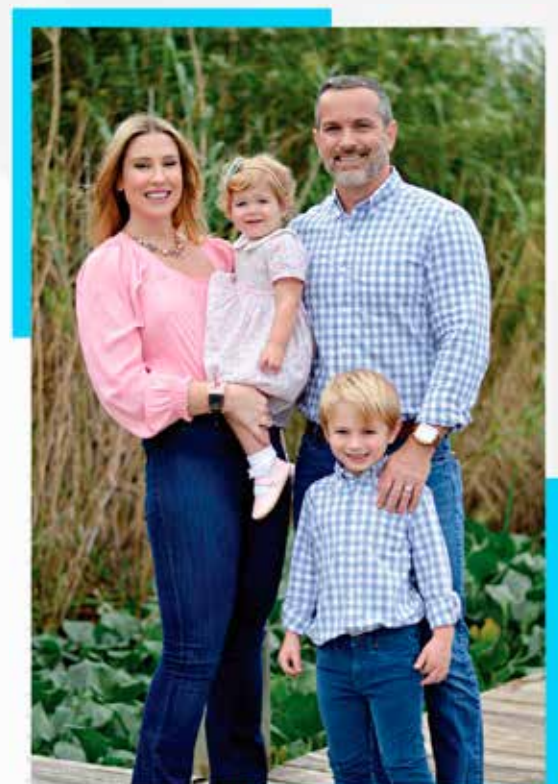

At the heart of everything Rick does is family. He looks forward to time spent with his wife Anna, son Hampton and daughter Beatrice.

Rick Also enjoys getting out and giving back to the community. One of his favorite things is trying any new restaurant in town.

“The work is rewarding but so is my down time with family. Having a good balance is healthy for the soul.”

Those who get to know and work with Rick appreciate his willingness to help no matter the difficulty.

“What I hope people see in me is my love for Jesus, a man of his word and my gratitude for those who have helped me along the way. My family, friends, clients and mentor have supported me to make a life of service a reality. Thank you.”

Feel good about your money when you bank at Alabama Credit Union

Alabama Credit Union was organized in 1956 to serve the University of Alabama in Tuscaloosa but quickly became a favorite among the state's top employers and expanded across the state. ACU entered the Baldwin County market in 2003 with one location and has since opened a total of six branch locations in Baldwin County and a total of 10 locations in lower Alabama and into the panhandle of Florida, bringing ACU's total branch locations to 34.

Alabama Credit Union's mission is to enhance the lives of our members and team members, strengthen our communities and live our shared values. At Alabama Credit Union we want you to "feel good about your money." Our members can feel good about their money because our employees will provide products and financial counsel that our members need. We think of our members as part of the ACU family and are dedicated to taking care of them — from assisting with an auto loan, at a great rate, to helping save for that dream vacation.

We are part of the communities we serve; we work and live where our members work and live and take pride in being "real people who offer real help." We are here to give our members a hand, make life easier and share money know-how tips to achieve their goals. "Good enough" isn't how we do things; At Alabama Credit Union, we get it right. We offer everyday banking and "loans for real life" with rates and service that make our members smile. At Alabama Credit Union, it is not just about the bottom line — we know that taking care of business means taking care of people.

We are thankful for our members in Baldwin County for voting us Best Bank in Baldwin County!

“It’s All About The Families.”

Hughes Funeral Home & Crematory in Daphne has always been and will always continue to be a place where the needs of our families are our top priority. Planning and giving personalized attention to the details that tell the story of the loved one is important as it meets the wishes of the family.

Benjie Hughes has been serving families as a funeral director since 1976. Shortly after graduation from mortuary school, he moved to Fairhope in 1979 and began serving in Baldwin County. Sixteen years ago in 2005, Benjie and his wife, Donna opened a simple but welcoming facility in Daphne. As we grew, we saw a need for a larger, more spacious building that would allow us to serve the community better.

Donna & Benjie Hughes

We attribute this growth to the over fifteen incredibly dedicated funeral directors, administrative and support staff that God has sent our way. Each one, regardless of their role, serves every day seeking to earn your trust. In December 2019 we moved from our starting location, to our current spacious, modern and well designed funeral home.

From funeral and cremation services to monuments and pre-planning, our constant goal is to serve your family with dignity, respect, and excellence. The trust of our community is truly humbling and reflects the core values of everyone on staff.

We count it an honor and a privilege and will always continue our committed efforts to guide our families through the most difficult season of their lives because, it’s all about the families.

More than a clothing store, we're a family at M&F Casuals

Celebrating almost 50 years on Fairhope Avenue, M&F Casuals has been the "Go To" for women's fashions on the Eastern Shore and Baldwin County. This locally owned boutique, opened by Ann and Marc Miller in 1973, was updated and expanded in 1993 as the Miller's streamlined their efforts to focus on leading the growth in downtown Fairhope.

M&F Casuals is still in the family today as their daughters Carol and Barbara, who spent much of their childhood "in and around the business," run the day-to-day operations. Ann and her girls have always embraced the unique fashion needs of the coastal customer and love to bring color and excitement to every customers' wardrobe. They travel to Atlanta, Dallas, New York and Las Vegas seeking the latest and greatest trends to offer "casual, affordable clothing and accessories for the coastal lifestyle."

In the spirit of community, M&F Casuals has held hundreds of fashion events, fundraisers and trunk shows over the years. This year, they are honored to host the artist reveal party for the 70th-annual Fairhope Arts & Crafts Festival. With a warm and inviting atmosphere, along with friendly customer service, M&F Casuals is ready to serve you and your fashion needs!

A one-of-a kind RV resort and camping experience

Pirates Cove RrrrV Resort opened May 2020. We are a one-of-a-kind RV resort completely built by two couples, Dayna and Lisa Masters and Jeff and Kelly Childers. Jeff and Dayna have a construction background, but this was a different venture for all of us. We had a vision, prayed over it and moved with faith. We are honored and thankful to be voted the No. 1 campground in Baldwin County for 2022 in Best of Baldwin.

A Pirate's Cove RrrrV Resort adventure is one you will not soon forget! Commandeer your spot in our resort and settle for no less than our lush sod yards, spacious lots with large concrete pads and nice paved, flat and wide roads. We are a family friendly RV resort and have a nice playground for the kiddies and dog park for the fur babies. You can find a schedule of activities posted weekly on our website and Facebook. Check out our basketball court and two of the nicest bath houses and laundromats in any campground! Our clubhouse is one-of-a-kind with a full kitchen and an attached game room. Join us in our weekly karaoke party, or join in a pool tournament or poker tournament, and it's all in a family/pet friendly

atmosphere! Swim the seas in our one-of-a-kind massive lagoon-shaped pool with soothing sounds of waterfalls cascading over beautiful, landscaped rock walls. Try to land a whale of a catch in our private lake with a beautiful colorful fountain, or just relax and enjoy the serenity of the outdoors!

We have activities for all ages young and old. You will never want to go home! We are family owned and operated, and you may meet one or all of us. Jeff and Kelly's daughter, Maranda, and son-in-law, Dustin, helped us build, and they work and stay here. Our resident grandchildren, Jo Jo, Presslynn and Jemma, are our little mascots.

We aren't even finished! We have 144 lots open now, and we will have 200 when we are done. Coming soon is a second heated indoor-outdoor pool oasis, an arcade and fitness center. We built this ourselves to be our vision of a camping paradise, and we stay on premises. We don't want to be just another RV resort. We want to be your destination! Located only 12 miles from the beach and 5 miles from OWA in Foley Alabama.

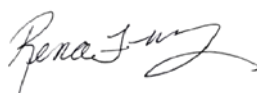

Exit Stage Left (ESL) was created on the foundation of inclusivity. Our dream is to have a theatre group where talent would be cultivated no matter what form it may take. The entertainment industry is known for being cutthroat and ruthless. The egos are big and the pressure is high to be the best and draw the largest crowd. Unfortunately, most of the time, this is at the expense of wonderful people who are left disregarded despite the capability dwelling inside them. Some even fear trying to be involved at all. ESL's mission is to be a company that creates quality performances and provides relevant education without individual limitations. We want to know the community and be a secure place where all performing arts can thrive.

The 2021-2022 inaugural season for Exit Stage Left (ESL) is titled "Don't Dream It, Be It," a line taken from one of the shows to represent the company being a dream come true for many. The shows include: A Night of Laughs (July 2021), The Rocky Horror Show (October 2021), Sealed for Freshness (February 2022) and Into the Woods (April 2022). There was also an Introductory Gala on May 1st 2021 and a week-long kid's summer camp during July 19th-23rd of 2021. ESL has started off strong but there are plans to grow exponentially over the next couple of years. There is a theatre building in the works and classes being planned. These will be wonderful steps to help build a strong performing arts community out of Foley on top of the continued theatrical productions. It is an exciting time that we hope everyone will be a part of!

We have met many people who have expressed how they support our vision but we are humbled by receiving the Best of Baldwin award for Best Theater Troupe during our first year! This award is a confirmation that Exit Stage Left is reaching the community and that is what is most important. We want to thank everyone who voted. You are a part of our theatre family and we appreciate you so much! Please reach out to us on Facebook: www.facebook.com/Exitstagelefttheatre or on our website: www.exitstageleft.org because we would love to hear from you. Tickets to our upcoming shows are always available on the website as well as audition and show information.

We are not exclusive...we are Exit Stage Left!

The best keeps getting better at OWA!

Keeping up with all the big announcements at OWA is like a thrill ride in itself. Coming in 2022 is the region's biggest indoor water park, complete with a year-round tropical vibe and a convertible roof. It's the perfect complement to everybody's favorite place to have fun.

OWA's new indoor water park is being built adjacent to The Park at OWA, an award-winning, family pleasing oasis of good times. There's a ride for everyone in the family here, from the scream-inducing speed of the Rollin' Thunder rollercoaster to the classic spinning cups of Tea Time. Soar with rides like the Twister, Swingin' Fun and Sky Balloons. Cool off with Wacky Waters, and get a few goose bumps in our Mystic Mansion! With 23 rides and attractions, The Park at OWA is always a full day of fun.

There's a lot more to this 520-acre resort than rides. Downtown OWA has become Coastal Alabama's go-to for entertainment, dining, drinks and shopping.

Inspired by some of the South's most beloved small towns, Downtown OWA features pedestrian-only streets that lead to one great find after another. Catch an amazing show at Legends in Concert or Brandon Styles Theater. Gather around a memorable meal at eateries like Paula Deen's Family Kitchen, The Groovy Goat or Lucy's Retired Surfers Bar & Restaurant. Whether you're looking for a fine wine or a seriously innovative moonshine cocktail, you'll find legendary libations along with great menus.

Maybe the biggest attraction in Downtown OWA is our events calendar. There's always something to look forward to, from our award-winning Mardi Gras parade to a holiday tree lighting complete with fireworks and snow. Music and movies keep things lively on OWA Island, home to our own amphitheater.

Plan your visit to OWA and get the latest news on big announcements and upcoming events at VisitOWA.com.

The votes are in— OWA's friends and fans are the best! We're honored to be voted Best Theater (Brandon Styles), Best Arcade (Groovy Goat), Best Sports Bar (Groovy Goat), Best Mardi Gras Parade (Krewe Du Cirque in Downtown OWA) and Best Beach Venue for Amusement Rides (The Park at OWA)!

Prodisee Pantry gives more than food. We give hope.

Prodisee Pantry is a nonprofit community ministry that provides emergency food and disaster relief. Families who are having trouble making ends meet are given food assistance and additional information from a caring listener about other programs that may help to make their lives more stable. The Pantry provides food to single parents, homeless persons, retirees, families in transition, under-employed and unemployed households, grandparents raising grandchildren and others in need.

When the spread of COVID-19 and Hurricane Sally delivered a double punch to the county, Prodisee Pantry stepped in to help even more families. In 2020, 29,224 Baldwin County families were given food at the Pantry, a 116% increase from 2019. In 2020, the Pantry distributed more than 3 million pounds of groceries, a 235% increase over 2019.

Volunteers are the heart of Prodisee Pantry! Their energy runs this community ministry. Their dedication led them to distribute over 4.3 million pounds of food so far during the COVID-19 pandemic, and their compassion continues to fill the hearts of thousands of Baldwin County families in need, with HOPE! If you need help or want to volunteer learn more about us on our website at www.prodiseepantry.org or on Facebook.
