3 generations, 100 years of experience means top-quality service at Bluewater Exteriors

Bluewater Exteriors is a home exteriors business based in Foley that was founded by Jimmy Fazekas, a third-generation home improvement professional. Jimmy learned the trade at the young age of 13, installing gutters in North Alabama with his grandfather and father, and he went on to own his own home improvement business there before starting Bluewater Exteriors.

At Bluewater Exteriors, we are proud to have a team of 12 dedicated and skilled employees, including our leadership team that has over 100 years of combined experience. This allows us to offer premium services for seamless gutters, screen enclosures, replacement windows and doors and other exterior home improvement projects. We believe that doing the job right the first time costs less than having to do it over.

It's this commitment to quality and our positive work culture that has earned us the distinction of being voted the "best gutter service," "best screen service" and "best boss" in Baldwin County for Best of Baldwin 2023. We are honored to receive these awards and will continue to work hard to live up to our reputation as the best choice for home exteriors in the Baldwin County area.

CUSTOM NEW HOMES

UNIQUE REMODELING

SPECIAL PROJECTS

STOCKTON CONSTRUCTION LLC
RELIABLE • CREATIVE • DETERMINED
251.284.0222

Making sure your project is done professionally, reliably

Stockton Construction LLC offers the highest-quality specialty construction services for the Eastern Shore area. Their jobsites are often hard to access, high liability, unique circumstances and specific details. To top it off, many clients do not live in the area, so they must make construction decisions on behalf of the removed client.

The team is comprised of project managers and office staff. They call on their trusted large crew sub-contracted tradespeople to assist in the projects. Each trade is scheduled, overseen and quality verified. Every project is unique in the remodeling industry, and each come with temporary roadblocks.

"You are only as good as your subs, and we have homerun hitters on Team Stockton," explains owner Mike Stockton.

Many of the completed projects are entered into a state remodeling contest and have won numerous awards throughout the years. They take pride in their work, and they work diligently to make sure the customer is pleased not only with the result but their time together.

"The most common high-stress items anyone can deal with are someone's home, money and family. And sometimes we get three of the three," says Stockton. "In live-in remodels, people are actually

living at a jobsite. We try to be mindful how we operate with them there and how we leave the house each day."

The Secret Difference

They keep their clients confident along the way by being dependable, keeping quick communication, ensuring financial accuracy and being present on-site.

"There are many moving parts, and it takes a lot of focused energy to make everything run smoothly. You have to be on your toes, and everyone has to communicate," says Mike Stockton.

Homeowners are frustrated with the area's lack of communication. This is where they outshine the others. Communication is top priority with Stockton.

Many area residents fear the end of the job "extra cost/bill." The team at Stockton has proven systems in place to prevent this. Draw schedules are clear at the beginning of the job, and the final payment is exactly that: final. Ashley Stockton, the CFO and office manager, provides remarkable assistance with this.

"Ashley is more than a CEO than I may ever be," said Stockton, her husband. "She pushes me along like trains with the engine in the back. She reminds me to call people back and to stay on task. She is the true winner of any award."

Without you, there is no Baldwin EMC

Baldwin EMC is proud to be Baldwin County's favorite electric company and proud to power your homes, businesses, schools and churches – so many of the things that make this county great.

Since 1937, Baldwin EMC and its members have been teaming up to improve the quality of life for our communities. Our story starts right here with a group of people just like you coming together to create a company that would drastically change the way we lived our lives then and still influences the way we live them now.

It was a unique kind of idea for a utility company. Instead of an investor-owned corporation, Baldwin EMC would be a cooperative. Everyone would pool together their resources to create it and keep it going. Everyone would share the benefits. It was different, but it worked.

And it still works today. We've come a long way, but we haven't forgotten where we started or who helped us get where we are. For 86 years, every pole, every mile of line, every flip of a light switch has been made possible by your support. Without you, there is no us.

View, buy and create beautiful art in Orange Beach

Our multi-studio campus overlooks scenic Wolf Bay and offers many artistic experiences with a breathtaking view. The stunning 10,000-square-foot fine art gallery features beautiful art works by over 100 Gulf Coast artists. It also offers a gift shop filled with original and unique items created by local artists, including custom clay and glass pieces from our Coastal Arts Center resident artists.

Foley High School takes home 4 awards, including Best High School!

From the classroom to the field, from its Grammy award-winning band to its decorated coach and mascot, Foley High School thanks everyone for voting us the Best of Baldwin 2023!

Foley High School, which was founded in 1906, is steeped with rich tradition. Our students excel through rigorous academic courses, music and arts, athletic and career technical fields. We offer many Advanced Placement and dual enrollment courses as well as career technical courses. From calculus to horticulture, Foley High School is full of great opportunities for student academic success and career pathways. Our fine arts department offers theater, chorus, music studio production, jazz band, steel drum band, guitar and piano classes and visual arts. Students also have more than 30 clubs and organizations they can join as well as many other leadership and community service opportunities. We feel these are probably a few reasons why Foley High School was voted the Best School for 2023!

The Mighty Band from Lion Land has been winning superior ratings at competitions throughout the United States since the 1970s and has performed at the Saint Patrick's Day Parade in Chicago, the Daytona 500, the Fiesta Bowl parade, Disney World in Orlando and many other places along its storied history. This year, they add Best of Baldwin to their resume!

120111

Foley High School is also known for their athletic programs and many super-star athletes, such as Julio Jones, who currently plays for the Tampa Bay Buccaneers. This year, they are boasting a 7A football regional championship, with, of course, the help and support from our fourth-straight Best of Baldwin mascot winner, Leo the Lion.

Our community also voted Metta Christensen as Best Coach for 2023. Coach Christensen is a Foley alumnus who played basketball at the University of South Alabama and has 28 years in education and coaching. She is currently coaching volleyball and basketball and is the assistant athletic director. She loves teaching and coaching at her alma mater, and Lion Land loves her, too!

Thank you, Baldwin County, for your votes in support of Foley High School, our Mighty Band from Lion Land, Coach Christensen and our mascot Leo. GO LIONS!

OWA: The best place on the Gulf Coast to thrill, and then chill!

It's an honor to be voted best — and Best of the Best — because that's what our vision has been all along: to provide the best experiences all across OWA Parks & Resort!

Voted Best of the Best, OWA Parks & Resort is an award-winning, 520-acre property owned and operated by the Poarch Band of Creek Indians. The resort's name is derived from a Creek word for "big water," and the tropical theme of the 520-acre property was inspired by the Gulf of Mexico, minutes away via the Foley Beach Express.

At the heart of OWA is Tropic Falls with its ride-focused theme park, outdoor wave pool (coming soon) and the region's largest indoor water park. It's unlike anything the Gulf Coast has ever seen before and covered by a convertible roof of 1,800 glass panels, offering hours of rain-or-shine fun. The tropical escape includes 75-foot-tall slides in a tropical atmosphere with more than 300 palm trees. Guests can take their pick from over 11 water slides — or just enjoy the ultimate tropical relaxation floating along Castaway Creek lazy river. Additional features

include private party rooms, private cabanas, quick-service restaurant and Libations, a tropical-themed cocktail bar.

The tropical theme is carried through the park from the highest slide inside the water park to the tropical vibes surrounding the 22 theme park rides.

Just outside the ticketed areas is Downtown OWA. This pedestrian-only streetscape was inspired by small Southern towns and features a family-pleasing range of dining, shopping and entertainment. Shoppers and diners will find big names — Paula Deen's Family Kitchen, for instance — along with local favorites and great regional finds. Downtown OWA doesn't disappoint when it comes to libations, either. From moonshine tastings to wine flights, it's a toast-worthy place. Entertainment options just keep growing, from blockbuster annual events to live music and an incredible lineup of performances at the OWA Theater.

How do you make the best even better? With OWA's own award-winning TownePlace Suites by Marriott. OWA Parks & Resort really is the best place on the coast to thrill and then chill — and it just keeps getting better!

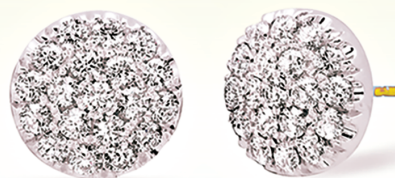

It's the best thing ever! We're honored that you voted The Arcade at OWA as Best Arcade, Tropic Falls at OWA as Best Amusement Park—and you voted OWA Parks & Resort Best of the Best Attraction for Visitors. See what's coming next at VisitOWA.com—the best is yet to come!

M&F Casuals: Leading the way in downtown Fairhope

Nestled in the heart of downtown Fairhope, M&F Casuals has been providing women with fabulous clothing options for 50 years! It's hard to miss the sunny yellow building with accents of coral and turquoise. Add the vibrant, resort-like feeling when you step inside along with the wonderful sales team, and you can relax and enjoy the ultimate shopping experience.

M&F Casuals opened its doors in historic downtown Fairhope in 1973. A mainstay in Fairhope, sisters Barbara Levitt and Carol Eberlein carry on the legacy of this ever-evolving four-generation business. Their parents, Ann and Marc Miller, discovered the Fairhope Avenue location and spent years nurturing the business while also giving back to the community through service and philanthropic efforts.

M&F Casuals offers a great shopping experience with a myriad of high-quality brands and styles of clothing, accessories, shoes and unique gifts. With frequent buying trips to New York, Atlanta, Las Vegas and Dallas, we have maintained a commitment to provide the most current styles and trends at affordable prices.

M&F Casuals appeals to the casual day-to-day dresser who is not afraid to kick it up a notch when needed. We have found success by making the customer our top priority. Our sales team encourages shoppers to embrace their own personal style and will curate a wardrobe that will fit this best. We embrace the formula that has worked for so many years at M&F Casuals: provide classic, affordable options for a casual lifestyle.

M&F Casuals is located at 380 Fairhope Ave. and is open Monday-Saturday from 10 a.m. to 5 p.m. We will be celebrating our golden anniversary all year long and would love to see you in the store! We will go out of our way to welcome you and make sure that you have a fabulous shopping experience.

Prodisee Pantry gives more than food. We give hope!

Prodisee Pantry is a nonprofit community ministry that provides emergency food and disaster relief. Families that are having trouble making ends meet are given food, connections and encouragement from a caring volunteer who listens and makes referrals to other programs that may help to stabilize their lives. Prodisee Pantry serves Baldwin County families and individuals including single parents, homeless persons, retirees, families in transition, under-employed and unemployed households, grandparents raising grandchildren and others in need.

Inflationary pressures continue to squeeze the budgets for so many in our communities. When you consider eggs cost 99 cents a dozen in 2019 but in 2022 rose to \$4 a dozen, you can see and feel the impact. This increase is repeated over and over again in so many items that families place in their shopping carts.

Volunteers are the heart of Prodisee Pantry! Their energy runs this community ministry. Volunteers provided a shopping cart full of healthy food over 10,000 times in 2022, distributing nearly 1.5 million pounds of groceries. Their dedication and compassion continue to fill the hearts of thousands of Baldwin County families in need with hope as it has for 20 years!

If you need help or want to volunteer or donate, please visit our website at www.prodiseepantry.org or our social media @ItsAboutHunger or #prodiseepantry.

Thank you Baldwin County!

Thank you for supporting my small business

Back on the Rack Upscale Resale originally started in Gulfport, Mississippi, in 2013 by my cousins, Chavus and Adrian Holland. I worked for them many years at their bridal business prior to the opening of Back on the Rack. One day, I had gone home to visit, and my cousin asked me while leaving her bridal business if I would like to go into business with her. I was a new teacher at the time, and of course the offer was appealing, so I exclaimed, "YES!" I thought it was all a joke until a follow up message that evening informing me that this was no joke!

After much prayer and many pros and cons weighed, I proceeded to franchise Back on the Rack Upscale Resale in Fairhope six months after the offer in July of 2015 at the young age of 24. The first two years were the hardest. I don't think I have ever worked that hard in my entire life. Of course, that hard work came with showing up regardless of your internal feelings, and some days I wondered, "What am I doing it all for?"

Here I am seven years later, and I can tell you all the hardship was worth it. Being a small business owner is not for the faint of heart, and I can 100% tell you that. The store has grown to be so much more than I ever could have imagined. Not only do we serve the people

of Baldwin County, but it has become a second home to many. We have weekly visitors who come in and share life with us. The good and the bad. It makes it feel like home, like we have family dropping in to share life with us.

Thank you so much to everyone who voted for and supported us. We take pride in gathering the best secondhand bags and accessories Baldwin County has to offer for the best shoppers in the world. We will continue to do our best for you!

Much love,

Come by Sandy Sansing Nissan of Foley and meet Nathon; you'll see why he was voted best of Baldwin.

Being voted the best dealership service department is by far the biggest group effort accolade we have received. Our team of local mechanics, writers, parts associates, and managers have made this possible by always putting the customer's needs first. We pride ourselves in combining the latest technology, the best available training, and good old fashion customer service to make this the best service experience for you and your vehicle. We are constantly striving to improve and will continue to be a valuable asset to the community.

Thank you,
