Welcome to the 35th Annual Jubilee Festival of the Arts. What a year it has been since our 2022 event. The cooler temperature of October combined with the space of W.O. Lott Park makes for a fantastic festival year after year!

Our festival continues to grow, and we plan to welcome more artists this year. We have a delicious line up of food trucks for everyone to enjoy and our Jubilee Market area has expanded. Our stage returns with local entertainment and our Kids Art will feature fun hands-on crafts to create while you are here. We have even extended the festival to create a tail-gater area for our college football fans! As we always say, there really is something for everyone!

The Olde Towne Daphne merchants and restaurants are looking forward to seeing you as part of your day in Downtown Daphne. You might just discover a new favorite place to shop or dine!

The Eastern Shore Chamber of Commerce welcomes you to the Jubilee Festival of Arts. Please enjoy! We look forward to seeing you!

What's New for 2023

The Annual Jubilee Festival hosted by the Eastern Shore Chamber of Commerce is celebrating its 35th anniversary! We are honored and thrilled to host this art festival in the month of October for the fourth year in a row. Moving the festival to this time of year provided us with cooler temperatures and a better turnout for this outdoor festival!

Artists, locals and visitors loved the move to Lott Park in Olde Towne Daphne, made three years ago. Since then, we have been able to spread the artist booths out giving our visitors more chances to stroll, explore and take their time while browsing the one-of-a-kind artwork in the festival. This allowed us to welcome more artists each year and expand the overall footprint of the festival.

The Jubilee Market has expanded, and we are excited to welcome more food trucks this year! The Kids Art activities include Freeform Art, Fish Prints and MORE!

Our committee is excited to announce the addition of a Tailgater Area near The Jubilee Market. Enjoy LIVE-streamed football games, cooking demonstrations and MORE! There is truly something for everyone here at the Jubilee Festival of Arts.

Look for updates at www.jubileefestival.com and on our Facebook page [facebook.com/jubileefestivaldaphne](https://www.facebook.com/jubileefestivaldaphne).

This festival continues to grow with our community and always draws families, local artists, small-business owners, and art enthusiasts to our community. We're thrilled to showcase the work of our featured artist, Warren Rossi, whose self-taught skill is bound to inspire this year's crowd. We've had a grand time planning this year's entertainment, vendors, and more for our cherished guests. Thank you for 35 years of memories, and here's to many more!

Festival History

The Jubilee Festival is two exciting days filled with arts, crafts, food, entertainment and fun all taking place on the streets of downtown Daphne, aptly call “The Jubilee City”. The Eastern Shore Chamber of Commerce hosts this wonderful event each year in cooperation with the City of Daphne. The festival is growing each year and is enticing many new exhibitors as well as old favorites to the event and the Eastern Shore.

The Jubilee Festival was created to combine business, tourism and fun while showcasing the City of Daphne. The first planning committee selected the name Jubilee Festival due to the Jubilee phenomenon that occurs in areas around Mobile Bay and most frequently on the Eastern Shore.

Antiques were featured during the first Jubilee Festival which was held in November 1989. During that first year, Main Street in Olde Towne Daphne was transformed into an “Antique Alley” with 60 vendor booths. In addition to antiques, there were arts and crafts booths as well as food and entertainment.

Much of this continues today, except that antiques are no longer featured. The Jubilee Festival is a juried visual arts and crafts festival that currently features many artists and crafters from the local area and Southeast region along with entertainment, a food court and Kids Art Park.

In 2017, the festival changed its name to the Jubilee Festival of Arts, highlighting its expanding focus on all aspects of art. The Chamber added Southern Makers demonstrations and partnered with the World Food Championship to offer two qualifier competitions.

The festival embraced a new logo for its 30th Anniversary and added the Jubilee Market in 2019.

In 2020, the festival moved to Lott Park to allow room for social distancing during the COVID-19 Pandemic. It also made a move to October due to Hurricane Sally. People loved October's cooler weather and Lott Park so much, the committee chose to keep the move in 2021.

The Jubilee Festival of Arts has become an Eastern Shore tradition offering fun and excitement for visitors of all ages. The Eastern Shore Chamber of Commerce is pleased to provide this honored event for local residents and visitors.
