LETTER *from the* PUBLISHER

Welcome to the Alabama Gulf Coast Visitor Guide, and more importantly, welcome to the Alabama Gulf Coast, perhaps my favorite place on Earth.

Our hope is that this guide makes your visit just a little bit better. It may spark an idea to spend an afternoon in one of our many unique communities, and you may get a coupon or discount from one of our favorite local businesses or restaurants. But for the most part, this beautiful destination will speak for itself.

You've made a good decision to be here.

Our role at Gulf Coast Media is to keep the area's residents and visitors informed and entertained, and we've been playing that role across Baldwin County for more than 100 years.

Today, we'll keep you in the know for this visit and future visits to our area.

Here are three more ways we might make your trip a bit more enjoyable:

- Follow our social media pages on Facebook, Instagram and Twitter.
- Be in the know of this week's news and happenings by signing up for our free email newsletter at GulfCoastMedia.com/newsletter.
- Check out our calendar of everything happening in the region at GulfCoastMedia.com/calendar.

And if you're like me, a resident with a visitor's ambition for exploring the region, stay in the know by subscribing to one of Gulf Coast Media's community newspapers and get full digital access at no additional charge. Or, opt for a cheaper digital-only subscription to stay in the know about the Alabama Gulf Coast, from Orange Beach to the Eastern Shore and Fort Morgan to Bay Minette, wherever you are.

Subscribe at GulfCoastMedia.com/Subscribe.

Here's to this trip and many more to the Alabama Gulf Coast.

Best regards,
Vince Johnson

DID YOU KNOW?

Baldwin County was established in 1809, 10 years before Alabama became a state, and is the third-oldest county in the state. Baldwin County's history is rooted in agriculture. Settlers moved from all over the United States and from other countries to farm the rich soil, and generations later, their descendants are still raising families here. But many of the farms have been sold, and subdivisions have replaced them.

A WORLD CLASS DEVELOPMENT BY

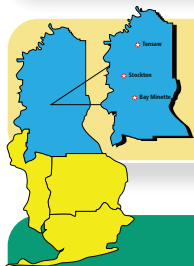

OUR COUNTY

Baldwin County is the largest county in Alabama and the 12th largest county east of the Mississippi River. Its 1,589 square miles are filled with historical sites, shopping, top-notch restaurants, golf courses, nature trails and parks. Rolling, wooded hills and the Mobile-Tensaw Delta characterize the North Baldwin area, and the bluffs on the Eastern Shore overlook beautiful Mobile Bay. Central Baldwin has no shortage of wide-open spaces and scenic farmland, and the white sand beaches of South Baldwin draw visitors from all over the country.

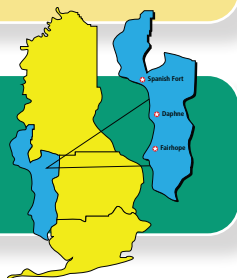

The people of Baldwin County are as diverse and beautiful as its landscape. The area is a haven for artists, musicians, writers and photographers as well as farmers, fishermen and chefs. This diversity of land and people has created a place where everyone can find their niche. There's an event, class, outdoor activity or new hobby just waiting to be discovered.

Communities all over the county are ready to be explored and enjoyed — get out there and have some fun.

Baldwin County is an ideal location for camping enthusiasts to pitch a tent, rent a cabin, hook up their RV or sleep out under the stars.

STATE PARKS WITH CAMPGROUND, RV ACCESS AND CABINS

| GULF STATE PARK

Consists of 6,150 acres with two miles of sugar white sand beaches and includes a modern campground with bathhouses and water and sewer hookup, cabins and cottages, trails, the largest fishing pier on the Gulf of Mexico, tennis courts, a 900-acre lake and an 18-hole golf course.

- » 20115 State Highway 135, Gulf Shores
- » AlaPark.com/Parks/Gulf-State-Park; 251-948-7275

| MEAHER STATE PARK

This 1,327-acre park has 56 campsites with water and sewer hookups, including bathhouse and laundry facilities, plus a 300-foot pier with a 200-foot "T," making it an excellent spot for fishing. Two nature trails include a boardwalk with close-up views of the Mobile-Tensaw Delta.

- » 5200 Battleship Parkway E., Spanish Fort
- » AlaPark.com/Parks/Meaher-State-Park; 251-626-5529

| HISTORIC BLAKELEY STATE PARK

This historic landmark consists of two campgrounds, modern and primitive. Blakeley State Park rests on the Tensaw River Delta and has miles of trails connecting archaeological sites of Indian villages, a French plantation, the 1813 town of Blakeley and more.

- » 34745 Highway 225, Spanish Fort
- » BlakeleyPark.com; 251-626-0798

PRIMITIVE CAMPING

| HUGH S. BRANYON BACKCOUNTRY TRAIL

Nestled among tall pines, scrub oaks and 15 miles of trails is the addition of the primitive outpost campsite. Reminiscent of a Huck Finn adventure, this amenity hosts three individual sites, constructed with canvas tents supported on rustic hardwood floors and roped together with framed recycled downed trees. Take your pick from the Bonanza, Duke or Alamo. Each includes comfy nylon cots to accommodate four people per site, six-guest maximum with an additional tent. An old-fashioned pump sink is centrally located for cleanup after a fun evening of grilling hotdogs, burgers and roasting marshmallows around the campfire. No need to cut your own wood as the Gulf State Park stocks each campsite personally for your visit. The park's camp store, swimming pool, bike rentals and bathhouse are accessible to all campers.
