## 18|8 TRANSFORMATION OF IMAGE FOR BETTER PERFORMANCE

18|8 Fine Men's Salons is filling the gap between the strip-mall barbers, value salons, and the women's higher end salons, with a very appealing and much needed alternative.

We are a trusted place for men to have a professional grooming experience. Our stylists are specialists trained and experienced in the art of men's haircuts/styling, hair care and grooming.

We provide a truly authentic and innovative experience. A nurturing and almost nostalgic lost art, revived and tailored for today's man's needs - attended to, energized and refined.

We transform our 18|8 man to look better and feel better, therefore allowing him to exceed his potential with re-energized confidence and pride.

**YOU'RE THE MAN.**
