2022 record: 17-36

Highlights: After a year of injuries last season, the Jennies are slowly finding their way. The Jennies have four graduate students, one redshirt senior and three seniors on their roster this year.

Outlook: Carrying the reigning national champion, UCM's path in MIAA action will be full of plenty of competition. The Jennies should trend back towards a winning record this season, with the chance of holding ground in the middle to upper portion of the conference.

CENTRAL MISSOURI

Central Missouri sophomore Carter Young records a sacrifice ground out to bring home redshirt sophomore Cole Moore on April 9, 2022, at Crane Stadium.

Mules baseball celebrates the program's 28th MIAA regular season championship on April 16, 2022, at Crane Stadium.

BASEBALL

Head coach: Kyle Crookes

2022 record: 46-8

Highlights: Fielding issues have been the story in many of the Mules' games so far this season. The Mules are looking to find their way back to a MIAA title, a factor that definitely seems as a possibility after their first two MIAA series.

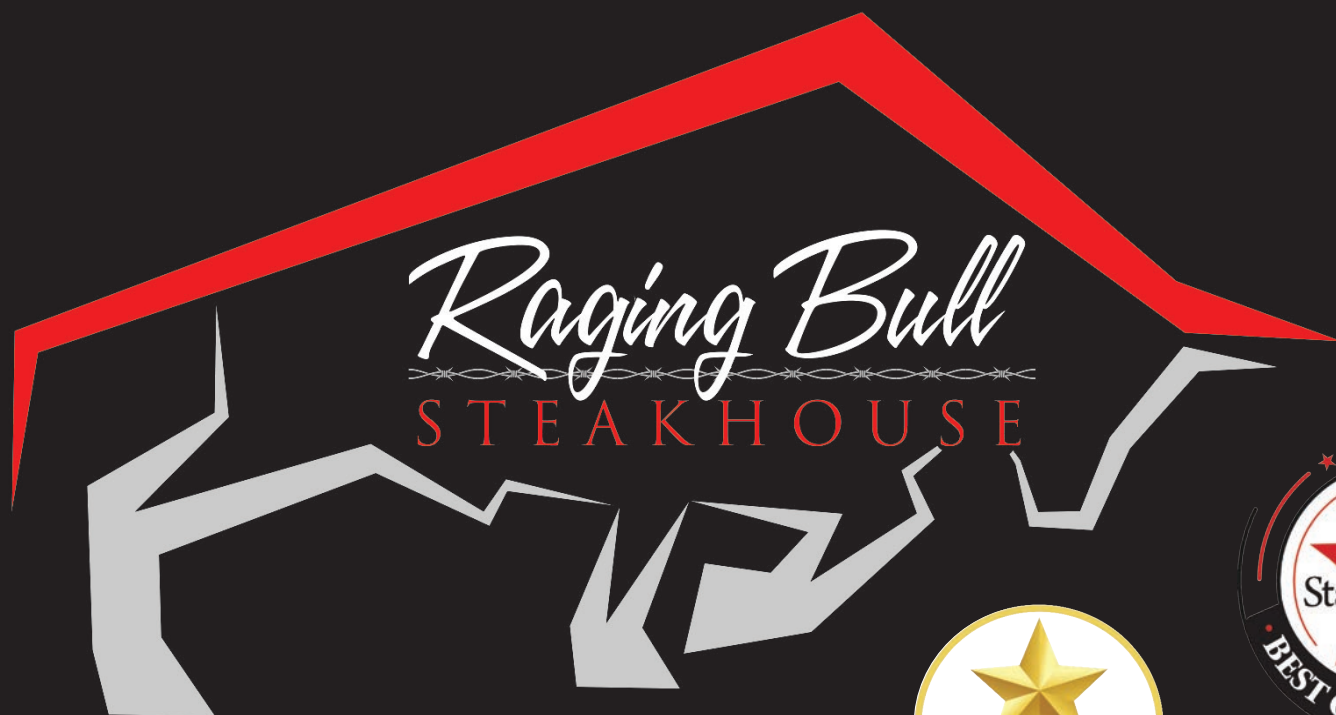

Outlook: Outside of conference play, the Mules have a home-and-home series scheduled with Quincy. The Hawks have made noise in the Midwest Region the last few seasons, and should be a good test for the Mules. Both games are mid-week contests.
