HOT WATER. NO WORRIES.

— Receive up to \$200 in rebates through 2020*

— Receive a reduced electric rate*

**These incentives available when Lake Country Power members go on the 8-Hour Interruptible Water Heating Program.*

How would you like to save up to \$200 on a hot shower and receive a reduced electric rate? That is the deal Lake Country Power is offering co-op members on its 8-Hour Interruptible Water Heating Program.

The "8-hour" interruptible program is great for members with a 50-gallon water heater or larger. The program supplies hot water over a peak period while the electrical supply is interrupted up to eight hours a day – usually on the hottest or coldest days of the month.

The water heater can be wired in conjunction with an existing Dual Fuel program. It also serves as an option for members on peak shave to convert to a lower cost plan.
