Dee Mussleman, Owner, CSA, CDP
Certified Senior Advisor®
Certified Dementia Practitioner®

1130 Bradshaw Dr.
Florence, AL 35630

Founded by Jean Gay Mussleman, ElderCare provides personal care, such as bathing, dressing, grooming, toileting, fall prevention and medication reminders. We provide supervision for those with Alzheimer's and/or dementia. We also do meal preparation, light housekeeping and transportation. Caregivers are thoroughly background checked.

ElderCare is a local, family-owned agency.
