MISSOURI LAND COMPANY

Born out of a desire to help others find the perfect property, we have been in the land business since 2013 when we opened a Mossy Oak Properties franchise office in Cole Camp, MO. Through an abundance of hard work and dedication, Missouri Land Company became one of the #1 offices in sales volume every year with over 30,000 acres and \$60 million sold over the last 5 years. During that time, we've been working hard to build a force of local, dedicated agents to meet the needs of our clients. In so doing, we are able to service customers throughout the state of Missouri with agents who are familiar with your area. Our agents are both experienced and dedicated, living the same kinds of lifestyles as the people who buy the properties we sell. We hunt, farm, live in, and love Missouri. We are genuine, honest, dependable people who are here to provide you with real estate services that far surpass your expectations. Our agents are familiar with their local markets, making it seamless for us to connect you with the available properties that best suit your needs.

IF WE DON'T HAVE IT, WE'LL HELP YOU FIND IT.

If your desire is to sell your land, Missouri Land Company will connect you with a highly qualified agent who walks, talks, and lives real estate sales. In 2020, we made the decision to leave the Mossy Oak franchise and establish Missouri Land Company. By starting this new company, we are better able to serve our clients. Missouri Land Company provides nationwide, statewide, local, and social media marketing so your property has the greatest exposure through various media. As a privately owned company, we have more power to ensure that the money we spend on marketing our listings is effectively reaching the target market. Our company strives to stay at the cutting edge of the ever-changing trends in the real estate world. We do this by maximizing the use of our advertising funds in order to put our listings in front of the largest number of buyers possible. We also target specific markets, ensuring that our listings are being seen by buyers who are searching for the types of listings we are selling.

Here at Missouri Land Company we believe in having a hard work ethic and being driven to be the best we can be. It is our goal to put our customers at ease knowing that they can trust us to help them through the process of buying and selling property. We understand that this is often one of the biggest decisions our customers make. We have the track record to prove that we are here to help maximize your success. At Missouri Land Company, we are the same amazing team of agents, in the same local office, doing the same thing we have done for the past 7 years and looking forward to many more. We are here to provide you with the best agents, marketing, and experience available.
