MISSOURI LAND COMPANY

If your desire is to sell your land, Missouri Land Company will connect you with a highly qualified agent who walks, talks, and lives real estate sales.

In 2020, we made the decision to leave the Mossy Oak franchise and establish Missouri Land Company. By starting this new company, we are better able to serve our clients. Missouri Land Company provides nationwide, statewide, local, and social media marketing so your property has the greatest exposure through various media. As a privately owned company, we have more power to ensure that the money we spend on marketing our listings is effectively reaching the target market.

Our company strives to stay at the cutting edge of the ever-changing trends in the real estate world. We do this by maximizing the use of our advertising funds in order to put our listings in front of the largest number of buyers possible. We also target specific markets, ensuring that our listings are being seen by buyers who are searching for the types of listings we are selling.

This farm has it all. It is a hunter's dream. Owner harvested a 160+ inch buck while in the shooting blind! Bobwhite quail call the farm home and if you like to varmint hunt there are some coyotes occasionally passing through. Appx one hundred fifty acres of open ground, appx ninety acres in pasture. Has 1 large pond & a year round creek for watering the cattle. There's a 66' x 76' barn with hay loft & metal corral for working cattle. Machine shed & workshop. 2300 Sq Ft farmhouse was built in 1940 & in 1998 an addition and complete remodel was performed. It is well kept, warm and cozy with a country kitchen, screened back porch/sunroom, two bedrooms on the main floor and the master bedroom with jacuzzi & large walk in closet on the upper floor.
