Laclede Co. 120 Acres • \$395,000

Located above the Osage Fork of the Gasconade River, this farm currently provides pasture for 20 cow/calf pairs and 10 horses. Goats, chickens and ducks also call the farm home, and the owner is willing to negotiate on all the animals. Two ponds provide water for the animals and about sixty acres provide a home for the Deer and turkey. We saw four Deer while viewing the southern half of the farm. Multiple outbuildings include a 50' x 80' Amish built metal barn, older well-built barn is 44' x 60', the hay barn is 40' x 80', and other smaller structure serve as the chicken coop and storage buildings. The all brick, double car garage, metal roof house is well built and is on a full partially finished basement. Two bedrooms upstairs and an office that could be used as the third bedroom. Large living room and kitchen/dining area. The home is heated with an Ashley furnace and an electric furnace provides the heat during those early fall or early spring nights when you just need to take the chill off. Peach trees in the back yard are loaded with fruit. This farm located off HWY B about 12 miles Southeast of Lebanon, Missouri. Call Danny L. Miller at 573-528-1489 or email dlmiller@mossyoakproperties.com to schedule a showing.

Miller Co. 121 Acres • \$229,000

Secluded acres just minutes from Iberia, Missouri and accessed off of Miller Counties Airport Road by a 2400 foot deeded lane is a hardwood tract that is surrounded by large farms. This property provides the ultimate in seclusion and privacy. The Deer and Turkey call the place home and I have seen Deer on every trip to the land. First time there was mid-May and the turkey gobblers were still gobbling like it was opening morning. Electricity is available at the property with a meter in place and power for the drilled well. An all metal 12' x 20' building served the owner as a bunkhouse during Deer and turkey season. Red oak, white oak, post oak and hickory hardwoods dominate the tract, and a creek dissecting the southwest portion of the property provides water for the wildlife. A trail for your side by side or atv runs from the northeast corner (at the bunkhouse) across the property to the middle of the southern boundary, providing easy access. There are openings on the ridge flats that would be ideal for a disc and some buck forage oats (turkeys like it too). The property is 35 minutes to Bagnell Dam, 45 minutes to Fort Leonard Wood, two hours to St. Louis. Really nice property waiting for a new owner. Call Danny L. Miller at 573-528-1489 or contact me at dlmiller@mossyoakproperties.com for a showing.

JOHN DEERE 4240: Diesel Tractor, cab and air, power shift, 3900 hours. \$29,500. 573-765-4406.

Spray Foam Insulation

Closed cell or open cell form available
Choose the thickness of your insulation

Closed Cell	Open Cell
• Higher R. value	• Lower Cost
• Vapor barrier	• Sound Deadening
• Structural benefit	• Fire resistant
• Fire Resistant	

Both types of foam fill voids and stay where they are put to provide better insulation than fiberglass or cellulose
