Camden Co.-14 Acres • \$70,000

Smaller Home that sits on a 14 acre property that butts right up next to Rainy Creek. Within walking distance to Climax Springs School. This 1056 Sq. Ft. 1974 mobile home has 2 bed & 1 bath and an outdoor access cellar for storage needs. Not far from the Lake of the Ozarks this mixed use residential, recreational, timberland parcel has turkey and whitetail deer. Smaller Shed on the property also. **Aleshia Gillespie 573-552-5401**

Texas Co.-400 Acres • \$425,000

Approximately 40 acres of open ground. Property has been logged, but is growing back nicely. We saw deer & turkey while out looking at the property, this is a hunting paradise. The ground is good enough to make one heck of a cattle farm out of as well, you could clear 80% of it and make a lot of grass here! Down a very private but easily accessible county road, not many houses here. Several creeks run through the farm, and most had water in them the day we toured the property. Owner will also consider selling off two 80 acre tracts as well. **Mike Stoner at 573-774-9775**

Camden Co.-82 Acres • \$149,999

Great investment opportunity next to the lake of the Ozarks Niangua Arm. Property contains a diverse selection of mature oak timber & some scattered walnuts. Property has beautiful build sites for your dream home. The land is positioned right off AA highway with a nice entrance and has power available at the property. The land sits just 1.5 miles from the closest boat ramp at the lake of Ozarks and has all paved roads the entire way. This farm would be a perfect place for any outdoorsman that wanted to have a large hunting tract & a place to fish right down the road. **Trenton Scott (660)-351-3201**
