Morgan Co-393 Acres \$479,900

This property is 393 acres and sits all around the Lake of the Ozarks. Coffman Beach boat ramp is just right down the road from it, you could hunt turkeys in the morning and go crappie fishing in the afternoon. Property has been logged recently, but there is still lots of timber on it for hunting. Owner killed a huge buck on the property last year. There were no shortage of deer sign on the property, with tracts, rubs and scrapes littered about the property. I saw 8-10 deer while out looking at the property. Several miles of trails run through the property, so getting around won't be a problem. Several small creeks and branches run through the property. Sitting just a minute or two from Rocky Mount in Morgan county. This property is priced right and give it a couple years with new under growth, this will be a wildlife mecca! For more information contact **Mike Stoner at 573-774-9775 Cell or email mstoner@mossyokproperties.com**

Crawford Co-60 Acres \$72,000

Secluded Missouri hunting and outdoor recreation property. Located 20 minutes south of St. James Missouri, this property is loaded with Deer and turkey. A cabin was started in the late 70's and will need some attention before use. Benton creek meanders thru the northeast portion of the property and will provide year round water and a place for the kids to swim and catch minnows and crawfish. White oak, post oak, and red oak timber provide mast for the wildlife. The northern ridge white oak have never been harvested. This is a great opportunity to own a secluded hunting, outdoor recreation or weekend getaway spot. Acquiring access onto the property will be the responsibility of the buyer. Historic access was via County Road 4380. To schedule a viewing **Call Danny L. Miller at 573-528-1489 or email at dlmiller@mossyokproperties.com**

This is an excellent collection of authentic Native American artifacts that represent the personal collection of the late Reggie Power. Many, if not most, of the artifacts were personal finds of Reggie's and were found in Boone and surrounding counties. Reggie also had a very creative and artistic way of displaying broken points and pottery as unique pieces of art. In addition, there will be a variety of firearms, fossils and various other artifacts Reggie picked up along the way. Visit our website for additional photos.
