MZ MAGNUM
RESIDENTIAL ZERO-TURN MOWER

DON'T LET THE PRICE FOOL YOU, THESE ARE BUILT-TO-LAST

Most mowers at this price are made from flimsy stamped steel and bolted together. So if you're looking for the efficiencies of a zero-turn mower at a price that does not compromise on quality construction and quality of cut- turn to the MZ Magnum. With larger and stronger frames-sporting an even stronger 7-gauge all-steel, fabricated deck - the MZ Magnum is far more substantial in build quality than other mowers in this price range. You'll immediately appreciate the rock-solid, all-steel welded construction, powerful engine and too much fun to call it work' ride.

Benton Co-64 Acres

\$179,500

Off Hwy V in Edwards, Mo. Half timber half open ground. Nice creeks, and a big pond will make it fun for the family to play in or for the wildlife. Has a 28x40 barn for the livestock or hay. There is a older doublewide on the property, with some tlc it would make a perfect hunting cabin. There is a well, and sewer system. It has a nice covered deck on it, also there is a portable outdoor shed for your storage needs. From the home you can see the nice pond right behind the house. This property is off the highway, but still secluded and private. Call Mike Stoner at 573-774-9775

Benton Co-37 Acres

\$169,000

A hunters dream place with a 3 bedroom 1 & half bath cabin. Very well kept through the years and provides multiple places to hunt. 20+/- Acres and home are outside of Forbes while 17+/- acreage is in Forbes in sectioned lots. Also with this property is a detached garage to store your ATV's, UTV's, or any other hunting supplies. Trails are cleared throughout the property to make it very convenient for walking or to take trail rides. This property has a lot to offer to the traditional outdoorsman. Call Trenton Scott 660-351-3201

Dallas Co-46 Acres

\$330,000

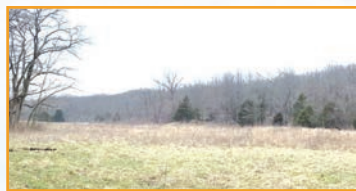

Trails running all through the property for trail riding or hunting purposes. A nice stocked pond is in front of the house and should be very entertaining. The house is only a couple years old, its a 3 bedroom with a possible 4th, 2 1/2 bath. Very nice big kitchen and living room. I love the hardwood floors, and the barn tin on the ceilings, it compliments the wood car siding as well. Downstairs has two bedrooms and a huge family room. Outside of the house is all cedar, and has a full covered front porch. Mike Stoner 573-774-9775

Camden Co-145 Acres

\$210,000

Mostly mature timber, with a creek in the bottom. Rolling hills with enough contour for perfect hunting any wind direction. Behind two locked gates for privacy. Two open areas for food plots, plenty of buck rubs from last season. You could see where the turkeys had scratched up the hillsides. The Niangua river is just down the road for more recreation. Mike Stoner at 573-774-9775

Camden Co-166 Acres

\$350,000

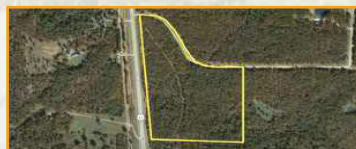

What a great hunting retreat this is! 166 acres of good timber, creek bottom & bottom fields. Plenty of spots for food plots with several open areas. Nice creek runs through the property. Terrain is rolling but very gentle, great deer and turkey hunting in this area. Behind a locked gate, really private! The shouse is huge, 4000 sq feet with 2000 sq feet of living space, 4 bdr, huge living room & kitchen and a big shower room. Shop is 2000 sq feet and plenty of room for all your toys. On its own well and septic. There is also a 2 bedroom rustic cabin just below the shouse with its own well and electric. Mike Stoner at 573-774-9775

Phelps Co-190 Acres

\$765,000

This farm has it all. It is a hunter's dream. Owner harvested a 160+ inch buck while in the shooting blind! Bobwhite quail call the farm home and if you like to varmint hunt there are some coyotes occasionally passing through. Appx one hundred fifty acres of open ground, appx ninety acres in pasture. Has 1 large pond & a year round creek for watering the cattle. There's a 66' x 76' barn with hay loft & metal corral for working cattle. Machine shed & workshop. 2300 Sq Ft farmhouse was built in 1940 & in 1998 an addition and complete remodel was performed. It is well kept, warm and cozy with a country kitchen, screened back porch/sunroom, two bedrooms on the main floor and the master bedroom with jacuzzi & large walk in closet on the upper floor. A basement provides much room for storage and a newer propane furnace. Danny L. Miller at 573-528-1489

Phelps Co-35 Acres

\$77,000

Access to the property is through a key coded electronic gate, ensuring your privacy. Land is level to gently rolling and there are many good home sites and the little valleys would make an ideal small lake site for your future fishing hole or duck pond right out of your back door. Lots of deer sign and the location is a little over a mile from Edgar Springs and as I mentioned only twenty minutes from Rolla. Danny L. Miller at 573-528-1489
