Phelps Co-33.5 Acres • \$284,000

Hobby Farm with all the amenities needed to raise a family and horses, cattle, or livestock of your choice. Located only 10 minutes from St. James & only 15 minutes from I-44. The 1960 sq. ft. home is on a partially finished basement with giant oak, pear, apple, and cherry trees scattered throughout the nearly two acre lawn. An entertainment area/man cave, two non-conforming bedrooms, and a kitchen area are located in the basement. An above ground pool with deck surround provides a place to enjoy the sun and cool off, and is virtually maintenance free thanks to the automatic skimmer. Property is fenced in woven wire or barbed wire & could be easily cross fenced to provide pasture for horses or a few head of cattle. The pond is full of catfish, bass, hybrid perch, bluegill, and crappie. Tree stands are in place and the deer are plentiful. A 30' x 40' metal barn provides dry storage for the tractor & implements, and the 25' x 30' workshop houses the lawn equipment on a concrete floor & boasts a new roof. Only 25 minutes to Rolla, 45 minutes to Fort Leonard Wood & 90 minutes to St. Louis. **Danny L. Miller at 573-528-1489**

Texas Co-80 Acres • \$299,750

Looking for a farm that offers unlimited hunting in the Mark Twain National Forest that borders two sides? Located just off HWY 32 between Plato & Roby. Has an efficient cattle working setup that includes a metal pipe pen for sorting & vaccinations, a freeze proof waterer is worth its weight in gold when the watering ponds freeze over & one end of the machine shed has stalls for those baby calves that need bottle fed. About 50 acres of pasture with cross fencing for rotational grazing & the owner runs 24 cow/calf pair plus a bull. Deer and turkey are plentiful on the farm and the bordering National Forest offers hundreds of additional acres for hunting. 1600 sq ft ranch on a crawl space, with three bedrooms, two and a half baths, a 26' x 30' double car garage, large living room & large kitchen/dining area. Double doors on both ends of the 30' x 60' hay barn make it easy to store your winter hay & the machine shed will hold your tractor & implements. **Danny L. Miller at 573-528-1489**

Phelps Co-22 Acres • \$60,000

Located on State Hwy D SE of Dixon. Property is a good mix of timber & pasture. A gated entrance off Hwy D connects you to this park like setting & the circle drive winds past the all metal one room cabin. Out of sight cabin is secluded & quiet. The interior walls & ceiling are completely spray foam insulated. Fold up bunks allow plenty of room for overnight stay & the sliding windows provide a dry spot for a hunt stand. The cabin has a deck that wraps around two sides of the building & a generator provides electric power for the lights, microwave & small refrigerator. 4 mile to Jerome & the Gasconade River, 9 miles to Dixon, 16 miles to Rolla & 17 miles to the front gate at Fort Leonard Wood. This property would make a great site for a new home. **Danny L. Miller at 573-528-1489**
