Quiet and relaxing, the property provides a 40' x 48' all metal workshop with large and accommodating porch for your morning coffee and evenings watching the sun go down and roasting hot dogs and marshmallows over the fire pit. Inside the shop you will find a twenty six foot camper that will provide beds for up to six. The owner has built a front porch for easy access into the camper. In the shop building you will also find a full bathroom with shower, washer, dryer, and refrigerator. Other items included in the sale are a Log Trimmer, wood/pellet burning stove, electric wood splitter, Husqvarna riding mower, large safe. The property is looking for new owners, be the first to view. Call **Danny L. Miller at 573-528-1489** or email at dmiller@missourilandco.com

Maries Co-404 Acres

\$1,000,000

This is truly a gem of a farm in Maries county. 404 acres with over 1 3/4 miles of Gasconade river frontage. The river has a big eddy above it called Rock Eddy, and on the property is a huge gravel bar that will for sure be the spot to hang out when having river fun for the day, Beautiful river bluffs are on the other side of the river with a big cave on the bluff. The bottom field is right at 100 acres, and now its in hay, but you could easily plant crops here and produce some good income. The farm lays out approximately 60-40 timber versus open ground. Owner runs cattle up on the higher pastures. Fenced and cross fenced, with several ponds, some waters, and a corral. Some of the best hunting in the country!! Owner and his boys have killed some dandy deer and turkey over the years. We jumped a really nice velvet 10 pointer while in the bottom field. You can expect over 400 big round bales off this farm and can run 50-75 pair of cows as well. There is a couple springs on the property, trails run through the farm to get around. Several hunting blinds come with the property, and some deer stands. The house is a 3 bedroom 2 bath 1400 sq foot ranch style house over a basement. The owners use it for a hunting camp, but you could easily live here full time. Owner put on a metal roof, and a brand new central heat and air system. Very secluded and private, sits on a dead end road with 2 locked gates on the way to the property, so you won't have to worry about privacy or unwanted traffic. 2 big hay barns are on the property as well with several older out buildings, including a old school house and old log cabin with hand notched logs. Lots of history here on this farm If you have been waiting on that perfect river bottom farm, this is the nicest Gasconade river farm I have listed. Call **Mike Stoner at 573-774-9775**

Maries Co-107 Acres

\$159,900

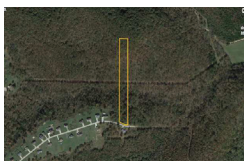

Conveniently located just off US Hwy 63. Timber to include a large amount of white and red oak. The front half of the property is adjacent to Maries County Road 519 and electricity is available on the south side of the county road. The front half was selectively logged, leaving many fifteen inch diameter at breast height white and red oak. The northern half was not logged. I saw two Deer while wandering the property and the water hole in one of the valleys is covered with Deer tracks. Turkey sign was also plentiful. The logging trails make for easy access by foot, atv, or side by side. The 1,891 acre Spring Creek. Gap Conservation Area offers additional hunting and outdoor recreation and is less than one mile away. This is an opportunity to own a very nice hunting tract that is one hour and fifty minutes from St. Louis, fifteen minutes from Rolla, and ten minutes to Vienna. The owner is in the process of clearing additional ground in one of the valleys for a food plot. View it by calling **Danny Miller at 573-528-1489**

Pulaski Co-32 Acres

\$95,000

Looking for a small grass farm with all the amenities? State Hwy DD paved frontage and Buttercup County road splits the property for multiple access locations. Rural water, electricity is on the property and the owners worked with the Farm Service agency to install concrete cattle waterers on both tracts. In addition the property boasts a year round spring fed creek and two ponds. The hay consists of clover, fescue and timothy so bring your cattle now and they will love you for life. This hay is thick and ready for cattle. Property has some bottom ground that would support row crops and if you are looking to build there are many great home sites. Deer beds were spotted while viewing the property with the owner - many nice spots for a tree stand. Good cattle tight perimeter fencing. Fort Leonard Wood is only 35 minutes away, Crocker Missouri is a 10 minute drive. Call **Danny Miller at 573-528-1489** Pulaski Co- 3.6 Acres \$15,000 15 from Cracker Barrel and only 20 minutes from the main gate of Fort Leonard Wood is this building lot with rural water, electricity, and paved road frontage. Located on Highland Springs Lane, your new home site at the end of the lane will be quiet & peaceful. No building restrictions on this acreage and it is only a 15 minute drive to the Missouri Department of Conservation access at Riddle Bridge on the Gasconade River. Call **Danny L.
