Polk Co-27 Acres

\$399,500

This is truly a remarkable 27 acre hobby farm with a 4500 Sq Ft + 6 bedroom 4 1/2 bath custom home. The owner is a builder and you can tell with the finishes here. Main level has 2 bedrooms including master bedroom, nice big bathroom with jacuzzi tub and stand up shower. Nice big kitchen with plenty of cabinets and stainless steel appliances. Formal dining is right off the kitchen with enough room for a big farm table. The living room is oversized and leads out to a huge covered porch overlooking the beautiful bottom fields below. Sit on the back deck and watch the wildlife , there is plenty of deer and turkey here. There is huge wrap around front porch across the front of the house and down the sides, a door leads into the main level laundry room. Upstairs there are 4 bedrooms 1 bath, and also a study room. Downstairs is fully finished with one bedroom , full complete laundry room, 3 play rooms and a huge living room. The shop-garage is 40 x 60 with a concrete floor, plenty of room for you tools and toys. A 24 x 30 carport that has a concrete floor for your vehicles to get out of the weather. Property has a fenced in area for a few head of cows or goats, the 20x20 outside shed will house the animals. Barren creek runs through the property which is a spring fed creek. This will not only attract the wildlife but will be a fun creek for the kids to play in. Across the creek is a nice secluded field, perfect for a food plot. The big bottom field produces good quality hay, and will year after year. This a end of the road , secluded property and what every one is looking for. Only 15 minutes to Bolivar, and just 9 minutes to Fair Play in Polk County. This won't last long at this price and with this hot market! Built in 2016 and finished in 2017. For more information **contact Mike Stoner at 573-774-9775**

Maries Co-404 Acres

\$1,000,000

This is truly a gem of a farm in Maries county. 404 acres with over 1 3/4 miles of Gasconade river frontage. The river has a big eddy above it called Rock Eddy, and on the property is a huge gravel bar that will for sure be the spot to hang out when having river fun for the day, Beautiful river bluffs are on the other side of the river with a big cave on the bluff. The bottom field is right at 100 acres, and now its in hay, but you could easily plant crops here and produce some good income. The farm lays out approximately 60-40 timber versus open ground. Owner runs cattle up on the higher pastures. Fenced and cross fenced, with several ponds, some waters, and a corral. Some of the best hunting in the country!! Owner and his boys have killed some dandy deer and turkey over the years. We jumped a really nice velvet 10 pointer while in the bottom field. You can expect over 400 big round bales off this farm and can run 50-75 pair of cows as well. There is a couple springs on the property, trails run through the farm to get around. Several hunting blinds come with the property, and some deer stands. The house is a 3 bedroom 2 bath 1400 sq foot ranch style house over a basement. The owners use it for a hunting camp, but you could easily live here full time. Owner put on a metal roof, and a brand new central heat and air system. Very secluded and private, sits on a dead end road with 2 locked gates on the way to the property, so you won't have to worry about privacy or unwanted traffic. 2 big hay barns are on the property as well with several older out buildings, including a old school house and old log cabin with hand notched logs. Lots of history here on this farm. Owner is getting ready to cut hay, so more pictures to come with the bottom field and hay produced. If you have been waiting on that perfect river bottom farm, this is the nicest Gasconade river farm I have listed. Call **Mike Stoner at 573-774-9775**

Hickory Co-145 Acres

\$499,900

Here is a great laying 145 acre tract in Hickory county right on the St. Clair- Hickory line. Farm has about half crops half pasture. Pasture rent is 3500 a year and the crops are split 50-50. Beans were getting planted while I was out taking pictures. They always plant wheat first then beans after. Has electric a great well that feeds 4 waterers, and a nice creek running through the middle of it. Fenced and cross fenced. Highway frontage on the west side and county road on the north and southeast corner. Just enough timber for good hunting, even has a nice box blind. Property in this part of the county doesn't come up for sale very often. Close to Truman and Pomme De Terre lakes for water fun. Nice place to build a home overlooking the farm.
