YOUR LAND AND FARM EXPERTS!

Hickory Co-10 Acres W/Home **\$199,500**

What a great country setting here close to Preston Missouri in Hickory county. 4 bedroom 2 bath with also a nice office or could make it a 5th bedroom. 2 bedrooms are upstairs , they are huge bedrooms. Also a big living room or a sitting room. The downstairs has a nice layout with a nice kitchen with stainless steel appliances . Nice breakfast nook right off the kitchen. House inside is rustic with barn wood and old metal wainscoting. The wood stove in the living room will heat most of all the house, but also has central heat and air. House sits on a crawlspace. There are two big wooden decks, one on the back and the other on the left side of the house. Newer metal roof on the house will last a long long time. There is also a 40 x 60 shop with a concrete floor. Plenty of room to park tractors, and tools inside here. Shop also has electric to it. The property lays really nice with two nice creeks that run through the property, and you can sit on the deck and listen to the water run. Great hunting here as well, owner says that deer are in the yard a lot. House has been 80% remodeled, so a little more work and the house will be completely remodeled. This sits in a nice country sub division, with very few houses. Close to Pomme De Terre lake for your summer fun! **Please contact Mike Stoner at 573-774-9775.**

Hickory Co-145 Acres CROP & PASTURE **\$499,900**

Great Laying Parcel right on the St. Clair- Hickory line. Farm has about half crops half pasture. Pasture rent is 3500 a year and the crops are split 50-50. Beans were getting planted while I was out taking pictures. They always plant wheat first then beans after. Has electric a great well that feeds 4 waterers, and a nice creek running through the middle of it. Fenced and cross fenced. Highway frontage on the west side and county road on the north and southeast corner. Just enough timber for good hunting, even has a nice box blind. Property in this part of the county doesn't come up for sale very often. Close to Truman and Pomme De Terre lakes for water fun. Nice place to build a home overlooking the farm. **For more information contact Mike Stoner at 573-774-9775.**

Laclede Co-40 Acres **\$99,900**

This is the property you have been searching for! Come check out this amazing opportunity to own 40+/- acres surrounded by Mark Twain Forest on three sides. This will be the perfect set up for someone wanting good blacktop road frontage with beautiful build and/or camp sites toward the front of the property while leaving the back of the acreage undisturbed for hunting and/or recreational use. You can build your dream home on the high ground and clear a few trees to open up breathtaking views of the valley and rolling hills for you to enjoy from the comfort of your own living room. I can only imagine the beautiful sunrises you can enjoy from your back deck! The acreage boasts a great mixture of hardwoods and cedars which have created a wonderful habitat for deer and other wildlife. There is also a gorgeous stream meandering through the property providing a water source for wildlife as well. The Gasconade River flows nearby, and there is an access point just a few miles down the road. All of this, plus being surrounded by hundreds of acres of Mark Twain National Forest land that you can make use of, makes this a very highly sought after piece of property with loads of potential! **Call Pamela Dempsey today at 660-553-8677.**

Benton Co-45 Acres W/Home **\$205,000**

Ready to move in home is located just off Hwy B S. of Cole Camp. A beautiful manufactured home maintained with the utmost care and recently remodeled. Home is coming nearly fully furnished with almost everything you would need to live or stay in. It features a home security system running on some of the fastest internet in the area. The tiled kitchen looks out over the back screened in porch. Has a shop/garage with a wood stove that would make for an excellent hunter's hangout or to store your fishing gear. Also 3 smaller storage sheds located behind the house. There is a separate trailer hookup complete with it's own lagoon & 30 amp plug ins for a camper. It has some of the most pristine hunting ground around. It has nice mature timber that has not been logged in over 30 years providing some excellent cover for all sorts of animals. Has multiple draws & excellent undergrowth making for all those lanes that deer love to run. There are wild oats & a wet weather creek as well making sure the deer stay. It even comes with the stands located on the property! With the walk behind DR Field and Brush Mower, pole saw, tiller, as well as other tools going with this home, you'll be able to maintain this property with ease. **Contact Seth Holt at 816-447-4660.**
