YOUR LAND AND FARM EXPERTS!

Morgan County 25 Acres

\$69,500

This is something we get calls on all the time, recreation land close to Lake of the Ozarks! 25 acres that borders private rd on one side and Hwy T on the south. Great access, electric is available. Great place to build that cabin or home. It has some great hunting, with tons of deer and turkey in this area. There is a cleared area for utility lines which would be a great place for food plots. Good mature timber, with plenty of places for tree stands. The Lake of the Ozarks is 5 minutes away, hunt in the morning and crappie fish in the afternoon. Located south of Stover Mo in Morgan county. This wont last long! **Call Mike Stoner at 573-774-9775**

Camden 40 Acres

\$120,000

This is a wonderful 40 acre recreational tract close to Lake of the Ozarks in Camden County. We saw a herd of deer while out on the property while looking at it. Electric is on the center of the property. A great 1 acre pond is on the property just begging for a pole in hand. There were deer rubs all around the pond. Plenty of open ground for some food plots or pasture for horses. This place would make a great place to build a new house, with a great view of the valley below. Browns Bend access is just down the road minutes, so getting on the lake is easy. This type of property is what everyone is looking for. **Please call Mike Stoner at 573-774-9775**

LaFayette Co-130 Acres

\$750,000

Attention farmers, investors, and hunters! Up for sale is this diversified 130+/- acres of prime farmland located just south of I-70 in Lafayette County Missouri! Its hard to find a farm that has more to offer than this one! Property offers open row-crop bottoms, rolling pasture, large (Davis) creek and mixed timber. This farm is made up of predominantly black oar, otter, winfield, and bremer silt loam soils, all that are labeled as prime farmland soil types. Roughly 63+/- acres are tillable and more could be put into production if proper drainage work is done. The farm has produced up to 200 +/- bushels and acre corn yields, and 44+/- bushels an acre soybean yields! Also, attached is a farm house with an outbuildings! The deer and turkey hunting are second to none this farm! Owner has seen several deer and turkey throughout this farm through the years. There are great views all around this property and it would be a great place to build a dream home. Properties in this area do not come for sale very often. **If you would like to schedule a private showing of this farm please contact Trenton Scott with Missouri Land Company at (660)-351-3201.**

Cole Co-1.7 Acre

\$60,000

Don't miss the opportunity to buy 4 lots for the price of 1! This approximately 1.7 acre lot is ready to be spilt up into 4 individual lots, or keep it as one big tract. If you're a builder looking for your next job, an investor looking to build duplexes, or maybe you're wanting to build your dream home, this property is perfect for you. **Contact Jared Martin at (573) 291-1977 if you have any questions or to schedule a showing.**

Jack likes Chevrolet's and has a really good collection. He took great pride in them with several of them in different parades. He was a service manager for Van Chevrolet for many years and a heavy truck mechanic for UPS. Will be running 2 rings part of the morning. Loader on site day of sale.
