# YOUR LAND AND FARM EXPERTS!

## Pettis County - 29 Acres

**\$315,000**

Horse lovers looking for the perfect place to build your forever home, this is the one for you! Come take a look at this beautiful 29+/- acres just waiting for you and your horses to call it home. The property consists of a 3 bed/2 bath double-wide manufactured home, a horse barn with a full size, indoor riding arena on one side, and 12 horse stalls on the other side! The barn also boasts a concrete wash bay, hay storage, tack room, and open paddock. The light poles are still on sight if you wanted to add an outdoor lighted arena as well. There are two dry lots at the front of the property, one of which does need new wire. The sturdy cinder block barn would be excellent for equipment storage and other livestock if some work was completed to replace the roofing. Beyond the barn, lies a wide-open, beautiful grass pasture complete with shade trees and a small pond. The owner says it grows really good grass to graze on. The existing fence was taken down and the trees were all cleared out of the fence row to enable easy access for putting the new fence in. Currently, the owners are running electric fencing. The house and barn are currently being rented but none of the pasture is rented. This would be the perfect opportunity for you to purchase the property and have \$1,575 a month coming in from the rentals while you build your forever home on one of the many beautiful build sites. With a little work, you'll have a fully functioning equestrian facility with boarding potential after the rental term is over! The potential is huge and at a fraction of what a turn-key facility would cost you! Now let's talk location. This property still falls in the highly desired Knob Noster school district. It's only about a quarter of a mile off highway 50 giving you quick, easy access to Sedalia, Whiteman AFB, Knob Noster, and Warrensburg. And don't forget, the McAdoo Riding trail, which is a breathtaking trail ride, is only 10 miles away!!! Opportunities like this don't come available often. **Call Pamela Dempsey today at 660-553-8677.**

## Saint Clair County - 1.5 Acres

**\$162,500**

Big trees surround this home on a paved road on the northeastern side of Osceola just on the outskirts of town. Located within 2 miles of Truman Lake's Crowes Crossing Public Use Area with Boat Ramp. This 2 Bedroom, one bathroom, approximately 1100 square foot ranch style home sits on approximately one and a half acres. Kitchen comes with a refrigerator, built in microwave, double oven and a gas range with double doors walking out to a nice sized covered deck with a ramp. A deck also greets visitors at the entry to the home. The home is predominately paneling throughout, has a well, newer septic system, Buck Stove/fireplace, propane furnace and air. The carpet is in good shape, the living room and dining area are open with a nook that leads to the garage. There is a newer handicap shower installed in bathroom. Three hallway closets for storage and an attic fan to enjoy the cool spring breeze. The home has a one car attached garage with entry to the full basement. There is also a shower, water filter, water tank, furnace, and water heater in the basement. The property has several outbuildings, including a 40x26 insulated garage with power and concrete floor; an 18X40 equipment shed with power, and an additional 3 miscellaneous storage sheds. The home needs updated, has some foundation issues (foundation cracks, slight leak shown in pictures), slight leak in detached garage (shown in picture) the seller has not lived in the home and is selling this property AS-IS, buyer should exercise due diligence, the seller will not make repairs. ## Dent County - 78 Acres

**\$179,000**

Your dream property has just hit the market! This is the one you've been waiting for. If you're planning to build a home, there are several gorgeous build sites to choose from. When you arrive, you'll appreciate that a nice timber stand has been left intact along the road frontage to provide plenty of privacy for you. It then opens up to a vast, approximately 10 acre pasture area that would be perfect for some livestock or establishing the hobby farm you've been dreaming of! The balance of the land is wooded. As you enter the woods, you'll notice that you can easily navigate using the established trail system. The drive or walk through the property is breathtaking and there are several picturesque locations alongside any one of the 5 ponds that you'll see along the way. Hunters will be delighted to find all the deer sign and trails throughout the property. While out taking photos, I spotted a deer and a turkey along with many tracks and well-worn trails. This one will be gone in a heartbeat, **so don't miss your chance to call Pamela Dempsey 660-553-8677.**
