Henry Co-13.7 Acres

\$75,000

Prime central Missouri hunting that includes a small cabin. Underground electricity is already in place making it a cozy cabin for those hunting trips and weekend getaways. Approximately 10 acres of mature timber will provide ample whitetail hunting while remainder is open, offering a fantastic area for food plots or possibly live stock pasture. A gorgeous live creek does run through the property that will provide drinking water for your livestock and wildlife. This one will go quick. Call Pamela at 660-553-8677 today to schedule your private showing.

Dallas Co-40 Acres

\$139,900

Mainly timber, hills and draws. Lots of wildlife here, owner says tons of deer on the property. A box blind ladder stand will come with the property. There is a nice live creek on the property and always has water in it. This place is secluded and private, it's at the end of the road. There is a nice 5th wheel camper that will come with the property, it is just a few years old. It does have a salvage title, from some storm damage, but still a like new camper inside. It has a master bedroom up front, a nice bathroom with a stand up shower. The finishes inside this Cougar rv is very nice. There is room for 4 to sleep here. The owner built a nice metal building around the camper, it has room for it and also equipment. There is also a room in back of the metal building that can be made into living space. Electric is to everything and owner also put in a sewer system to handle everything. Only thing a buyer will need to do is drill a well. Comes with a portable building as well to keep outdoor tools in. This is what everyone is looking for, it will not last long! Call Mike Stoner at 573-774-9775

Phelps Co-50.22 Ac. \$175,800

Nice tract just ten short minutes south of Rolla with county road frontage and electric nearby. Property has a gate and a road that leads into the middle of the property. The property has some small openings, a small spring fed stream, and some nice mature timber. Plenty of deer and turkey sign here. Less than a mile away are Little Piney Creek and Mark Twain National Forest. More adjacent acreage is also available but going fast! Contact Jason today at 270-350-6434 or jloos@missourilandco.com.

Texas Co-22 Ac \$60,000

Beautiful hunting property with lots of potential. There are several places where a deer stand or a turkey blind would nestle in the woods perfectly. Easily navigable trails offer quick passage throughout the entire property. Beautiful mature timber towers over the entire estate that provide shade as you're walking along this property's trails. That's not all this tract has to offer, however. With gently rolling hills and a large clearing, it poses a perfect spot to build a home. With four clearly marked corners, you will have no problem finding the borders of your land. Call Pamela Dempsey at 660-553-8677 today to set up your private showing.
