BACK ON THE MARKET AT NO FAULT OF THE SELLER!!! CASH OR CONVENTIONAL LOAN ONLY!!!! The epitome of peace and quiet is waiting for you at the end of Noble Lane in Preston, Missouri! This property offers it all from an updated 4 bedroom 3 bathroom home, a shop, garden, and chicken coop, almost 7 wooded acres, a spring/creek, and loads of wildlife all at the end of a private road where privacy and seclusion will await you at the end of a long, stressful day. As if all of that isn't already perfect enough, Little Niangua flows through the adjacent property and Mule Shoe Conservation Area is just 12 miles away. There, you will find over 2,700 acres to explore, camp, fish, and hunt on!! The home is located in a historic area that was once know as Almon and was complete with wagon trails, an old post office, a cemetery, a schoolhouse, and a few stores. Much of the history can still be seen in the homes that remain in the area. Let's dive into the details found on this unique piece of property: 4 bedroom 3 bath home. You'll love the ample outdoor space available on the front and back decks of the home complete with a ramp making access to the front door a breeze. Upon entering the living area you'll be immediately drawn to the cozy comfort of the seating area around a wood-burning fireplace. This seamlessly flows to the open, airy kitchen complete with vaulted ceilings and a skylight. All the natural light streaming in makes this kitchen a bright, happy place to make memories of family dinners. You'll appreciate the beauty of the new granite countertops and drop-in sink with faucet options for filtered or straight well water! Off one end of the kitchen, you will find the main bathroom with a beautiful custom tile shower and unique antique medicine cabinet and towel racks. This end of the home also provides two nicely sized bedrooms each with stunning views of the woods outside. Off the other side of the kitchen, you'll fall in love with the master suite. The room is spacious with beautiful views of the flower beds outside and leads into a master bath that looks like it could be straight out of a magazine. The custom-tiled, walk-in shower will invite you in to enjoy both a standing or sitting shower head. There's also a double vanity and a beautiful, open tub for soaking in. As you make your way to the basement, you'll be delighted to find an open space ready for you to complete to your satisfaction. The whole house water filter, water heater, water softener, and furnace complete with humidifier are all conveniently located here for easy access. There is also a fourth non-conforming bedroom with its own bath which also boasts gorgeous, custom tile work. Outside, a detached shop with lean-to will provide a wonderful space for you to park your equipment and house your tools. There is electricity in the shop, so you'll be free to work well into the dark where you can be inside and out of the elements. Just beyond the shop, you'll find some garden beds that have produced well for the owners for several years, as well as a chicken coop with outside nesting box access. For small animals, there's already a fenced enclosure and pig hut in place! Beyond all of this, you'll find yourself on a nicely trimmed walking or 4-wheeler path that meanders through the beautiful woods and leads down to a spring and creek. When the water is running, it makes the perfect location to spend an afternoon picnicking and listening to the soothing sounds of the babbling water. This is a very special place, so don't miss out on your chance to snatch it off the market. Your forever is awaiting you! Call Pamela Dempsey today at 660-553-8677 to schedule a private showing.
