YOUR LAND AND FARM EXPERTS!

Cass Co-34.5 Acres

\$165,000

Land like this doesn't become available often! This property consists of approximately 34.5 +/- acres with loads of added benefits. Located just off of 7 Hwy and only about an hour south of Kansas City, this property boasts excellent access from either the highway or Sherwood Drive. The ground has roughly 15 +/- acres of tillable ground to provide a nice source of income. It also has access to electric and rural water, so there would be no need to install a well. With the year-round flowing creek running through it as well, this property has everything going for it. Whether you are looking to farm, hunt, or build a home you have an amazing set up with this property. Contact Seth Holt for more info or to schedule a showing today! 816-447-4660 or sholt@missourilandco.com

Benton Co-53 Acres

\$169,500

Very good mature timber that has not been cut in a lot of years. Has county road frontage that is where the cabin is. Owner is just about finished with it, one room cabin with couch that folds out to a bed, also two bunk beds. Has a counter and sink along with a full bathroom. There is not a well, but owner has a water system, a water holding tank with a pump to supply water to everything. It has two wall heaters on a thermostat and a wall air conditioner. This is a cozy little cabin with a covered front porch. There is electric and high speed internet from Co-Mo. Property has a fire road to the west to access the west and also a huge shared pond. The pond sits in a secluded area and will surprise you how big it is. And yes it has fish in it,

and will be a great spot to spend the afternoon. Owner has a 28 foot pontoon and walkway he is planning on installing on the pond. Tons of deer and turkey here with plenty of cover, seclusion and even a nice food plot area that seller has some clover, apple trees and peach trees. The fire road has a gate so no one can get in there unless a land owner. This property is only a couple minutes from the Lake of the Ozarks, with a boat ramp 3-4 minutes away. **This will not last long in this market call Mike Stoner at 573-774-9775**

Benton Co-40 Acres

\$199,500

This is one of the best laid out 40 acre tracts I have seen in awhile! Nice laid out bottom fields that is currently used for hay production. Would make great fields for food plots as well. The way this is tucked in here behind a locked gate and the end of a dead end road, I am sure this place will make one heck of a hunting farm. It has a creek that is a wet weather creek and a nice big pond that is stocked with fish. Some good quality timber as well and has not been cut in a long time. There is a older home on the property that probably needs dozed and it has a well, electric and also high speed internet here from Co-Mo. This would make a great place to build a new home or cabin. No restrictions or covenants. Call Mike Stoner at 573-774-9775

Benton Co-2 Acres
