The property offers investors the opportunity to purchase these vacant buildings at a significant discount with a huge value-add opportunity. The property was formerly the Table Rock Health Care & Retirement Village, a nursing home/55+ retirement village that specialized in short-term rehabilitation, palliative and hospice care, long-term care, and respite services. Facility was closed in December of 2020 after COVID-19 rates ticked up in many of the skilled nursing facilities across the state.

Nursing home is configured with 120 beds, while the building was designed and utilized as a skilled nursing facility. The Duplexes & Fourplexes are prime for repositioning or potential redevelopment for multi-family, ideal for long/short term nightly rentals, retirement homes, etc. (Some do have limited lake views).

This facility is well positioned near a number of amenities, restaurants, banking, shopping, Branson and Beautiful Table Rock Lake. This asset allows investors to purchase a vacant building with upside opportunities. Repositioning or redevelopment of the asset will allow the new owner to enjoy significant capital appreciation upon future disposition.
