\$230,000

Here's your chance to own a premier hunting tract that provides access at the end of a hard paved road. Located fifteen minutes from the main gate of Fort Leonard Wood and all the amenities that St. Robert and Waynesville have to offer, this is the ideal property for the outdoorsman who is looking for a place to build and call his or her forever home. The offering is made up of two parcels that are separated by Highland Springs Lane, providing eighty acres on the south side and a 3.6-acre lot across the street. Build your home or cabin on the lot and reserve the 80 acres for outdoor recreation. Both parcels have electricity and rural water. The 80 acres parallels the Gasconade River and provides river corridor hardwoods that Bucks like to travel. There are two springs on the 80 acres and atv trails for access to the ridge above the Gasconade River and into the white oak valley. The owners are very selective Deer hunters and the walls of their home show the size of the Bucks harvested on this property. The bucks shown in the pictures were taken using trail cameras on the property. Wild turkey is plentiful, this will be the place to fill your

spring and fall turkey tags. Ideal location, easy access, top notch hunting, and utilities in place for your forever home or weekend getaway. This property won't last long. For a viewing call Danny L. Miller at 573-528-1489 or email dmiller@missourilandco.com
