THE 198 ACRE SECLUDED FARM YOU'VE BEEN WAITING FOR!

23251 INDIAN SPRINGS RD
CALIFORNIA, MO 65018

\$999,000

You'll be amazed at your surroundings as you drive the 1 ½ miles of county-maintained road of Indian Springs, near California, Mo to your destination. This property is approximately a 1 hour drive to either Columbia or Jefferson City, Mo. Woods, crop ground, lake, deer and turkey are just some of the features and creatures you may encounter when you tour this unbelievable farm. The Moniteau Creek borders two sides of the farm. The spacious 3,000+ sq ft, 1 ½ story farmhouse features, 3 bedrooms, 2 baths, new furnace & air on main level, complimented by a large two-tiered deck. The 4-bay unattached garage and 6 outbuildings come as standard equipment, all within easy walking distance of the home. The beautiful acreage is approximately 45% pastureland to include 10 acres of bottom ground at the creek. Pasture includes 5 smaller fenced paddocks for intensive grazing projects. The open acreage, used primarily for hay and grazing, but it has been suggested by some, a portion may be suitable for crop farming. Abundant machinery storage awaits your every need. Towering bluffs rise above a portion of the Moniteau Creek and worthy of a few minutes of your time to enjoy the beautiful view of the countryside. The farm includes 4 ponds including a 2 ½ acre stocked lake with 16'x24' swim platform w/ladder. There are two double sided automatic waterers and 5 frost proof faucets.
