Rent To Own Plan

YOUR LAND AND FARM EXPERTS!

Benton Co-52 Acres - \$199,500

This property checks all the boxes! 53 acres with some very good mature timber that has not been cut in lots of years. Has county road frontage that is where the cabin is. Owner is just about finished with it, one room cabin with couch that folds out to a bed, also two bunk beds. Has a counter and sink along with a full bathroom. There is not a well, but owner has a water system, a water holding tank with a pump to supply water to everything. It has two wall heaters on a thermostat and a wall air conditioner. This is a cozy little cabin with a covered front porch. There is electric and high-speed internet from Co-Mo. Property has a fire road to the west to access the west and huge, shared pond. The pond sits in a secluded area and will surprise you how big it is. And yes, it has fish in it, and will be a great spot to spend the afternoon. Owner has a 28-foot pontoon and walkway he is planning on installing on the pond. Tons of deer and turkey here with plenty of cover, seclusion and even a nice food plot area that seller has some clover, apple trees and peach trees. The fire road has a gate so no one can get in there unless a landowner. This property is only a couple minutes from the Lake of the Ozarks, with a boat ramp 3-4 minutes away. This will not last long in this market call Mike Stoner at 573-774-9775

Morgan Co-19.27 - \$199,500

Wow this property lays great and would make a perfect RV campground. Just sitting right outside Laurie Missouri city limits on Hwy 135. Great hwy frontage and already has a driveway into the property. Electric is all along the front. It has a nice big pond in the back of the property. Mainly all wooded but could easily be made to look like a park like setting. Close to Lake of the Ozarks, the new racetrack Ozarks International Speedway and The Loop a 500-acre UTV-ATV riding area. This area is growing, and this would make a great area for cabins for rent for Vrbo. Call Mike Stoner for more Information 573-774-9775 Cell

Morgan Co-19 Acres - \$170,000

Home is equipped with hardy outdoor woodstove, mini split system, and ventless propane heater.
