YOUR LAND AND FARM EXPERTS!

Morgan Co-150 Acres - \$599,500

Five seasons ranch is a great name for this place! One of the best places I have seen in a long time. 150.2 acres deeded but measures closer to 157 acres. This property has it all. There are 9 outbuildings total. The main house is a 3-bedroom 2 bath with nice size rooms and big living and kitchen area. There is also am 30 x 40 shop on the other end and has two nice size garage doors. The owner also had an 8 x 60 covered porch put on the front of it so you can enjoy the views from the porch across the fields. There is a well for this place and a well house with a brand new well pump. The gazebo is behind house number 1 and is 24 x 14 with an outdoor smoker for your entertaining and cooking. The garden shed is 10 x 24 with electric and concrete floor. The owner has a 10 x 20 woodshed and already has wood for this fall in it. The storage building is 16 x 20 with electric and concrete floor for your storage needs. There is a 2nd well for house number 2 and a well house. The house is 830 sq ft of living space , 1 bedroom 1 bath with living room and kitchen. There is a wood burning fireplace in both house. Connected to the living is a 24 x 30 shop with 2 garage doors. The rear of this building has a 20 x 48 lien to for your tractor and implements. Across from the house is the shop. The shop is 30 x 52 and has 4 garage doors and 2 walk in doors. All concrete floors and is perfect place for all your toys and lawn mowers. Owner put in a steel beam to lift heavy objects inside the shop. The last building is a 30 x 42 barn with a hay loft, also has a feed bunk for hay and a lien to get the livestock out of the weather. All these buildings are metal sided and roofs so no maintenance and easy to take care of. Owner also installed a nice storm shelter if there was any bad weather. The farm is beautiful and has lots of open area for cattle of horses. It has good fencing most everywhere. Several cross fences to rotate them as well. There are several small fields on the farm the seller had food plots in, and with that they are leaving 7 box blinds and some tree stands in place so you can start off this fall already ahead of the game. All kinds of trails to get around on side by sides to access these secluded spots or to joy ride. Very close to Pomme De Terre river, and Sapp's landing is just over the hill to launch a boat to get on the river or to Truman Lake. Only an hour commute to Springfield and close to Wheatland and Hermitage, MO. Places like this don't come around often! Call Mike Stoner at 573-774-9775 Cell

Morgan Co-151 Acres - \$679,500

This is a beautiful 151-acre property in Morgan county. It has everything needed to make this a hunter's paradise. 6 secluded fields that lay mainly in bottom ground and good dirt for hay production, cattle or food plots. This would also make a good Vital farm for a free-range chicken farm. This area is known for them and this one has plenty of open fields and big enough for several barns. This farm is loaded with deer and turkey! There are deer beds all over in the fields. I jumped at least 6 deer and a flock of turkeys while out taking pictures. There is a nice live creek that runs through the farm that usually has water even in the driest months. Also, a pond on the property. Seller is leaving a hunting cabin that is on the property and with a little cleanup it will be a great deer camp. There is a well also on the east side of the property. It has Co-Mo power and high-speed internet. Very secluded and private at the end of the road. This property doesn't touch any county roads, so you will not have to worry about road hunting. Close to Lake of the Ozarks and only 20 minutes to Sedalia. For more information call Mike Stoner at 573-774-9775 Cell

Morgan Co-32.1 Acres - \$114,900

32.1 acres of great hunting land in Morgan County. Very private down a minimal maintained road but very accessible still. Good timber not been cut in a long time. It has an older well on it, but power is a ways away. It backs up to the Frazier Ranch, a huge landowner in Morgan county. Will be some great hunting here for sure. Borders the road in two spots. The Lake of the Ozarks is just minutes away and at the start of this road by the highway is a RV park and cabins so you will have a place to come stay while you are here. Call Mike Stoner for more information 573-774-9775 Cell

Camden Co-88.44 Acres - \$545,000

This is a hobby farm deluxe! Located only a few minutes from Climax Springs or Edwards, Mo in Camden county. 88.44 acres that has everything needed. Open pasture areas and fencing to hold in your livestock in along with three ponds. There is also a wet weather creek that runs through the farm that holds water except for the driest months. We saw two nice bucks in the top field today and was laying close to the box tower blind the owner is leaving along with 3 double ladder tree stands. There are plenty of deer here as well as turkeys. Around 25 acres of open ground and the rest is woods. The home is a 2018 and is a 3-bedroom 2 bathroom with all new painted rooms. The home has all porcelain tile floors, so you won't have to worry about any carpet. The master bathroom has custom tile that looks nice. Nice size living room with two doors one to front and side decks. The kitchen has brand new back splash recently installed. The home comes with all stainless-steel appliances. The home has a whole house newly installed water purification system. The owners just had a 30 x 45 shop built with concrete floor and two garage doors with openers. This will make a lot of storage area or a place to park your trucks and UTV's. Owner is also letting a new storage building stay with the property. This is a great place for your work tools and garden equipment. There is also a nice barn for winter hay or to get your livestock out of the weather. Everything here is virtually maintenance free. Several trails are on the property to get around and get to your deer stand. Not too far to Lake of the Ozarks for you summer fun. Don't miss out on this nice listing.
