# YOUR LAND AND FARM EXPERTS!

## Hickory Co-150.2 Acres - \$599,500

Five seasons ranch is a great name for this place! One of the best places I have seen in a long time. 150.2 acres deeded but measures closer to 157 acres. This property has it all. There are 9 out buildings total. The main house is a 3 bedroom 2 bath with nice size rooms and big living and kitchen area. It is right at 1250 sq ft living area. There is also a 30 x 40 shop on the other end and has two nice size garage doors. The owner also had a 8 x 60 covered porch put on the front of it so you can enjoy the views from the porch across the fields. There is a well for this place and a well house with a brand new well pump. The gazebo is behind house number 1 and is 24 x 14 with an outdoor smoker for your entertaining and cooking. The garden shed is 10 x 24 with electric and concrete floor. The owner has a 10 x 20 wood shed and already has wood for this fall in it. The storage building is 16 x 20 with electric and concrete floor for your storage needs. There is a 2nd well for house number 2 and a well house. The house is 830 sq ft of living space, 1 bedroom 1 bath with living room and kitchen. There is a wood burning fireplace in both house. Connected to the living is a 24 x 30 shop with 2 garage doors. The rear of this building has a 20 x 48 lien to for you tractor and implements. Across from the house is the shop. The shop is 30 x 52 and has 4 garage doors and 2 walk in doors. All concrete floors and is perfect place for all your toys and lawn mowers. Owner put in a steel beam to lift heavy objects inside the shop. The last building is a 30 x 42 barn with a hay loft, also has a feed bunk for hay and a lien to get the livestock out of the weather. All of these buildings are metal sided and roofs so no maintenance and easy to take care of. Owner also installed a really nice storm shelter if there was any bad weather. The farm is beautiful and has lots of open area for cattle of horses. It has good fencing most everywhere. Several cross fences to rotate them as well. There are several small fields on the farm the seller had food plots in, and with that they are leaving 7 box blinds and some treestands in place so you can start off this fall already ahead of the game. All kinds of trails to get around on side by sides to access these secluded spots or to joy ride. Very close to Pomme De Terre river, and Sapps landing is just over the hill to launch a boat to get on the river or to Truman Lake. Only a hour commute to Springfield and close to Wheatland and Hermitage, Mo . Places like this don't come around often! Call Mike Stoner at 573-774-9775 Cell

## Benton Co-8 Acres - \$64,000

This is a good laying 8 acre tract just outside of Lincoln Mo on H Hwy. Over 1000 feet of road frontage. This tract will be surveyed and pins set. The land has some great views looking across the Ozarks landscape. Lots of wildlife here and owner said that there has been many deer killed from the old box blind on the property. Lots of mature timber, walnut, oak and cedar on the property. No restrictions on the property is a big deal, place a camper or build that new home. Co-Mo high speed internet and electric available all along the front of the property. Close to Lake of the Ozarks and also Truman Lake. Boat ramps and marina is just a few minutes away. Property like this don't come around often. Call Mike Stoner at 573-774-9775 Cell

## Camden Co-80 Acres - \$220,000

Tracts like this are hard to find these days! 80 acres of good timber, bottom draws along the creek and great hunting land. The seller just done a select timber cut, but don't let that scare you. There is all kinds of nice timber left and they actually made some really nice roads to get around the property. There is a nice open food plot in the bottom just waiting for food plot seed and I know this will bring in deer from all around. Deer tracks were all over in the fresh dirt. Close to Larry Gale boat access to Lake of the Ozarks, it is just right up the road. Tract will come with a deeded easement and will all be surveyed. Take a look there is also another 85 acres available as well. Call Mike Stoner at 573-774-9775 Cell

## Camden Co-88.44 Acres - \$525,000

This is a hobby farm deluxe! Located only a few minutes from Climax Springs or Edwards, Mo in Camden county. 88.44 acres that has everything needed. Open pasture areas and fencing to hold in your livestock in along with three ponds. There is also a wet weather creek that runs through the farm that holds water except for the driest months. We saw two really nice bucks in the top field today and was laying really close to the box tower blind the owner is leaving along with 3 double ladder tree stands. There are plenty of deer here as well as turkeys. Around 25 acres of open ground and the rest is woods. The home is a 2018 and is a 3 bedroom 2 bathroom with all new painted rooms. The home has all porcelain tile floors so you won't have to worry about any carpet. The master bathroom has custom tile that looks nice. Nice size living room with two doors one to front and side decks. The kitchen has brand new back splash recently installed. The home comes with all stainless-steel appliances. The home has a whole house newly installed water purification system. The owners just had a 30 x 45 shop built with concrete floor and two garage doors with openers. This will make a lot of storage area or a place to park your trucks and UTV's. Owner is also letting a new storage building stay with the property. This is a great place for your work tools and garden equipment. There is also a nice barn for winter hay or to get your livestock out of the weather. Everything here is virtually maintenance free. Several trails are on the property to get around and get to your deer stand. Not too far to Lake of the Ozarks for you summer fun. Don't miss out on this nice listing.
