# YOUR LAND AND FARM EXPERTS!

## Camden Co-97.58 Acres - \$249,500

Another good hunting and recreational tract in Camden county and close to Lake of the Ozarks. 97.58 surveyed acres gives you plenty of room to roam, hunt and enjoy. Very private and secluded around bigger farms. Seller has done a select cut recently, but there is a lot of good standing timber left. It also created some good roads to get around and some clearings for food plots. Lots of deer and turkey are here and already some great deer showing up on game cameras. Close to Larry Gale boat ramp into Lake of the Ozarks. Just right up the road from here. Other tracts are available as well if you need extra acreage. I know this will be a great hunting tract for years to come. Call Mike Stoner at 573-774-9775

## Pulaski Co-20 Acres w/Home - \$199,500

This home on 20 acres is located 7 miles from Dixon, Missouri and is in the Dixon school district. The property is very flat with lots of mature timber and two large ponds perfect for livestock or wildlife. The home was built in 1969 and has a unique floor plan that is very open, it has 2 bedrooms, 2 bathrooms, and is 2200 sq ft +/- the structure of the house appears to be solid and built well, it's basically a clean slate to remodel as you want it. Recently the house got a new roof along with a new pressure tank and well house. This property also has a 40X80 shop that has water and electric with a nice concrete floor. This would be a great project home for someone to finish to their liking. To schedule a showing call Landon Veasman at 573-528-6665

## Pulaski Co-Home - \$99,500

This home is in Dixon, Missouri roughly 25 minutes from Fort Leonard Wood. This house has two bedrooms, one bathroom and an unfinished basement. The home sits on 4 city lots with 1 being fenced in. This would be a great starter home / fixer upper for someone. To schedule a showing call - Landon Veasman at 573-528-6665

## Texas Co-20 Acres - \$174,900

Looking for a Texas County hobby farm that provides seclusion, hardwoods, fertile bottom ground, and water? Look no further, this Licking, Missouri property will fit the bill. Located five miles out of Licking, wet weather Bean Creek forms a portion of the Northern boundary of the property. There along the creek you will have the soils for your garden or wildlife food plot. After crossing the low water slab on Bean Creek Drive, large mature walnut trees line the lane as you drive up to the home on the ridge. The ranch style home is approximately twelve hundred square feet with a partial basement, a detached two car garage is directly across the lane from the home and the large barn will provide shelter and storage for your animals. The home and outbuildings will require some repair. Cash crop for same, the walnut trees will provide the fruit that can be converted to a yearly income if you are inclined to harvest the nuts. Two ponds, one secluded among the towering pines on the Southern end of the property and the other located behind the barn will provide a watering hole for the Deer and Turkey and fish for the skillet. Large timbered tracts surround this property, and the seller reports many Deer have been harvested on the farm over the years. This property lies at the end of Bean Creek Drive and will be sold AS IS-WHERE IS. Priced at fair market value this property will not last long. Be the first to view by calling Danny L. Miller at 573-528-1489 or email at dmiller@missourilandco.com

## Webster Co-78 Acres - \$539,900

Here is a beautiful 78-acre Webster county property close to Fordland Mo and not far off Hwy 60. The property lays on a paved road and has some beautiful country homes as neighbors. It is fenced and has some cattle on it now, so if you want to raise some livestock or horses its ready. It's been surveyed and has two ponds one is spring fed. It also has a wet weather creek that has water in it most the time. Great hunting on this tract and seller is leaving two box blinds on the property for hunting. He has a couple food plots areas as well that will sure bring in some deer. Lots of deer and turkey here, so this is a place where they also bed and will be good year after year. There is a place for long range shooting if someone wants to throw some lead at targets. Seller would like to close after Dec 1st 23. Several spots a person could build their dream home with views. Not far from Ozark, Mo or Springfield. Only reason seller is selling is because of a leg accident and can't get around that well. Land like this is hard to find in this area and won't last long!!
