LAND AUCTION

69.9 ACRES ± | 2 TRACTS | GREENE CO, MO

Very gentle rolling land with beautiful building sites. Unrestricted land. Approximately 60% of this land is open and has produced hay for several years. Approximately 40% of the land is in wooded areas consisting of brushy draws with several very old Osage orange trees. Wildlife escape to these draws and emerge in the evenings. A newly constructed pond will add character and enjoyment as it seals and fills up. This land is ideal for building a private estate and developers will find lots of potential for country homes on acreage. Paved road access with two entry points established. Located 1 mile from I-44 in the Republic School District.
