LAND FOR SALE

2,200 ACRES ± | WEBSTER CO., MO | \$16,500,000

- M3 Hilltop Ranch offers an array of features and masterfully combines incredible one of a kind beauty and first-class agricultural productivity in a great location.
- Property is easily accessible and located 10 miles from Marshfield and 35 miles from Springfield with easy access to multiple stockyards and US HWY 60 and I-44.
- Nice internal road system and easy access to all corners of ranch with multiple gated entrances and over 7 miles of road frontage. The main ranch entrance is beautiful.
- The ranch encompasses an impressive 1400 acres of Class 2 soils, with over 500 acres dedicated to crop cultivation, and the remainder used for high-output hay production, livestock grazing, harvesting fescue seed, and great hunting. The remaining soil classes are mostly class 3.
- Property consists of two continuous tracts measuring approximately 844.5+/- acres and 1,356+/- acres easily accessible between the two within a mile in distance.
- Four sets of world class cattle working facilities strategically placed throughout the ranch consisting of 120x60 cattle shelter with Arrowquip hydraulic chute and alleyway, portable loading chute, large tub, pipe sorting pens, med pens, and large hay yard. Additional covered working area with Rancher Hydraulic chute, large tub, and multiple other nice features with auto waterers, lighted working areas, and concrete surfaces for feeding. Two other nice covered working facilities on the ranch.
- The ranch is self-sufficient with no outsourcing needed. From water, silage, hay, grass, and more there's an abundance of it allowing a strong ROI on the ranch. The income producing features are cattle, silage, seed sales, hay sales, and income on the airBNB and event center.
- The land has been meticulously cared for by the owner worth noting 500 tons of lime and 200 tons of fertilizer were recently invested back into the land and new fencing and cattle facilities making the operation turn key and high level.
- Producing 86 bushels an acre of wheat and 194 bushels an acre of corn. 2,000 tons of silage come off the property and the first hay cutting is suitable for winter feeding.
- 130 acres cut for winter rye bales.
- Ranch has a Registered Beef Master operation and can comfortably run 650+ cow-calf pairs.
- Over 15 nice barns and shops for hay storage, plentiful equipment storage, ranch maintenance, offices and vet room, and more.
