# LAND FOR SALE

## 112 ACRES ± | CHRISTIAN CO., MO | \$849,999

You've found it! A combination farm that is amazingly secluded yet conveniently located. Once you pull into the driveway, the business of life is literally in your rearview mirror. As you wind down the 6/10 mile private drive, all you see is your peace and quiet ahead. No neighbors, no city, nothing but rolling hills pastures dotted with ancient oaks and edged with hardwood timber. Three sides of this oasis have the perfect neighbor, Mark Twain National Forest. All you'll see from those boundaries are whitetail deer, turkeys, and black bears. The only noise these neighbors make is the songbirds and the occasional howl of a distant coyote.

Centered in the property is a 1980 square ft brick home. The home has an oversized garage and a nice sized kitchen, dining room, and living room. 2 bedrooms share the hall bathroom. The large primary bedroom suite has a jacuzzi tub and walk-in shower and enjoys access to the sprawling back deck. The views from the deck are absolutely amazing, taking in all that is described above. The rolling pastures have a thick stand of fescue, orchard grass, and timothy. Whatever your livestock needs are, they'll be content here. You'll have the convenience of a pipe fence corral and a 32x56 shop with concrete floors and electricity. There's also a detached 2-bay garage with an office or bonus room for extra storage and parking. This property has the "it" factor, and it's actually for sale. The Utecht Land Team will be honored to help you make it yours. Call today for your appointment.

- Bordered on 3 sides by Mark Twain National Forest Land
- Absolute seclusion at the end of a 6/10 mile driveway
- Pipe corral system
- Fenced and cross fenced for rotational grazing
- 2 bay detached garage with an office or man cave
- 32x56 shop with concrete and electricity and high walls
