# LAND FOR SALE

## 164 ACRES ± | CAMDEN CO., MO | \$492,000

"Rare find" might be an understatement for this private retreat located near Edwards and the Lake of the Ozarks. You will find yourself in total seclusion shortly after pulling through the gate and begin the ascent towards your very own floating cabin on a private, spring-fed lake. Relax and unwind as you enjoy the sights and sounds of nature sitting

on the dock or around the shoreline fire pit. The rolling hills property has a mix of mature hardwoods and brushy draws that attract and hold whitetail deer, wild turkeys, predators and small game species. Signs of their existence abound as you travel the well-established trails and roads throughout the property. Multiple hunting stands and blinds

sit in proven spots for your hunting endeavors.

- Private spring-fed lake
- Floating cabin sleeps 8
- Second cabin with wiring for a generator
- Trails and roads throughout
- Cabins are furnished and turn key
- Private and secluded
